

## JUNE 2010 – THE START OF THE NEW STYLE PAPER

### For 20 mark questions

| Level   | Mark  | Descriptor                                                                                                                                       |
|---------|-------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | 1-7   | Identification of points which are largely irrelevant.                                                                                           |
| Level 2 | 8-10  | Typically, answers will consider 1 factor with 1 evaluative point or 2 points with no evaluation or list of several points with little analysis. |
| Level 3 | 11-14 | Typically, answers will consider 2 factors with 1 evaluative point or 3 points with no evaluation.                                               |
| Level 4 | 15-16 | Typically, answers will consider 3 factors with 1 evaluative point.                                                                              |
| Level 5 | 17-20 | Typically, answers will consider 3 factors with at least 2 evaluative points.                                                                    |

### GUIDELINES FOR MARKING ESSAY QUESTIONS 6EC04 June 2012

| Level   | Part (a) Questions: Performance Criteria for Mark base 20 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
|---------|-----------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | 1-7                                                       | <ul style="list-style-type: none"> <li>Displays knowledge presented as facts without awareness of other viewpoints.</li> <li>Demonstrates limited understanding with little or no analysis.</li> <li>Attempts at selecting, applying, evaluating and presenting material which are irrelevant and unclear.</li> <li>None of the assessment objectives are covered satisfactorily.</li> </ul> <p>Identification of points which are largely irrelevant.</p>                                                                                                                                                                             |
| Level 2 | 8-10                                                      | <ul style="list-style-type: none"> <li>Displays elementary knowledge of well learnt economic facts showing a generalised understanding together with limited analysis i.e. identification of points or a very limited discussion.</li> <li>Displays a limited ability to select and apply different economic ideas.</li> <li>Evidence presented has a basic relevance.</li> </ul> <p>Typically, answers will consider 1 factor with 1 evaluative point or 2 points with no evaluation or list of several points with little analysis.</p>                                                                                              |
| Level 3 | 11-14                                                     | <ul style="list-style-type: none"> <li>Displays knowledge and understanding of economic principles, concepts and theories as well as some analysis of issues i.e. answer might lack sufficient breadth and depth to be worthy of a higher mark.</li> <li>Shows some ability to apply economic ideas and relate them to economic problems.</li> <li>Employs different approaches to reach conclusions, presenting evidence with some relevance and coherence.</li> </ul> <p>Typically, answers will consider 2 factors with 1 evaluative point or 3 points with no evaluation.</p>                                                      |
|         | 11-12                                                     | Award in this range for 2 factors and 1 evaluative comment (or 3 factors with no evaluation) which are not well developed/reasoned.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
|         | 13-14                                                     | Award in this range for 2 factors and 1 evaluative comment (or 3 factors with no evaluation) which are well developed and reasoned.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Level 4 | 15-16                                                     | <ul style="list-style-type: none"> <li>Displays a good knowledge of economic principles, concepts and theories together with an analysis of the issues involved.</li> <li>Demonstrates an ability to select and apply economic ideas and to relate them to economic problems.</li> <li>Evidence of some evaluation of alternative approaches leading to conclusions which are presented in a relevant and coherent way.</li> </ul> <p>Typically, answers will consider 3 factors with 1 evaluative point.</p>                                                                                                                          |
| Level 5 | 17-20                                                     | <ul style="list-style-type: none"> <li>Displays a wide range of knowledge of economic principles, concepts and theories together with a rigorous analysis of issues.</li> <li>Demonstrates an outstanding ability to select and apply economic ideas to economic problems.</li> <li>Evaluation is well balanced and critical leading to valid conclusions.</li> <li>Material is presented in a relevant, clear and coherent way with evidence fully and reliably integrated.</li> <li>Excellence is displayed across all assessment objectives.</li> </ul> <p>Typically, answers will consider 3 factors with 2 evaluative points.</p> |

### **June 2013 Edexcel C4 Mark Scheme Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading June 2013 Edexcel C4 Mark Scheme free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading June 2013 Edexcel C4 Mark Scheme free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading June 2013 Edexcel C4 Mark Scheme free PDF files is

convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading June 2013 Edexcel C4 Mark Scheme. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading June 2013 Edexcel C4 Mark Scheme any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About June 2013 Edexcel C4 Mark Scheme Books**

**What is a June 2013 Edexcel C4 Mark Scheme PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a June 2013 Edexcel C4 Mark Scheme PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a June 2013 Edexcel C4 Mark Scheme PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a June 2013 Edexcel C4 Mark Scheme PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a June 2013 Edexcel C4 Mark Scheme PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF

viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
