Making The Connection Discovering Who God Really Is:

Making the Connection John W. Telman, 2014-04 Making the Connection Discovering Who God Really Is attempts to put the corrective lenses of scripture on the distorted view of God John Telman writes like the pastor he is with clarity foresight insight and a longing to see people make the life changing decision to follow God Deftly weaving real life examples and scripture together John creates a tapestry that depicts the whole of who God is Robert White A student once told his professor I don't believe in God to which he was asked to describe the God that he didn't believe in I probably don't believe in him either stated the wise teacher It is a sad fact that most people who do not believe in God have either an incomplete or false understanding of who the Almighty God is This book while valuable for such people is not intended to be an apologetic nor a defence Simply between the covers of this book is one man's observations of God who has made himself known It's more than eternal life that is at stake It's fellowship with God Life without the creator is empty plastic and worthless It has no meaning Fellowship with God is more than knowing facts about God It is life based on who God is When anyone has relationship with God they truly live John W Telman was born in Edmonton Alberta Canada but as a worship pastor for 20 plus years he has also served in the United States and Singapore He has an earned Master's degree in Christian Studies from Providence Seminary His ministry has changed from primarily worship to that of a Senior Pastor He has been married to Carole since 1982 and they have one son Jeremy

Another Laugh and Another Tear John W. Telman, 2020-06-15 I really don't know John I really only know of John by virtue of pastoring in the same province and denomination together I mention this to say that by reading his book I finally had the chance to get to know him In doing so I felt that I'd met a kindred spirit Sharing a common Dutch heritage being former worship ministers and growing up in a loving musical home established an easy common ground between us In picking up a copy of his book I anticipated sitting down to read an autobiographical account of this life I was wrong Instead I sat down to discover stories of friends and family who had shaped his life It's a tribute really What a wonderful way to get to know a person Instead of making himself the focus of his own writing he instead shines a spotlight in the direction of the relationships that were most meaningful to him Phil Spoelstra Assistant Superintendent British Columbia and Yukon District of the Pentecostal Assemblies of Canada

Easter Unwrapped John W. Telman, 2019-01-11 It was through tear-filled eyes that I read this book captivated and encouraged by the scriptures and stories that John Telman shares throughout it Easter Unwrapped is a powerful encouragement to believers a powerful tool for those who are wavering in their faith and an anointed witness to those who don't know Jesus and the power of His Resurrection After reading this book I can't imagine anyone ever doubting God's love for them Millie Gray Kansas City police officer and Sergeant in the United States Air Force Life is so much more than merely the physical You are more than a body When life hits you between the eyes when you feel the darkness of death around you when you're faced with trouble that drains the life out of you remember Resurrection Sunday Easter Unwrapped presents eleven insights into just how significant

the resurrection of Jesus is to everyone Easter is the day that changed everything and it's more than chocolate and bunny rabbits It's about life

The Buzz About the Church Matthew Thomas, 2017-07-14 Imagine making fully committed disciples of Jesus by both looking at the template of Jesus in scripture and a hive of honeybees The sacred process of Jesus can be found in both creation and scripture Journey with me to explore the sacred practice of discipleship through the metaphor of beekeeping What we will discover are connections we never imagined existed The same God who created the world is the One who showed up in it through Jesus Christ The process the Creator used to mature life is the same process Jesus used to make mature followers The biblical story of Sampson and the lion will be our guide and the riddle we will uncover as we journey to discover what is Strong and Sweet

God and I: Exploring the Connections Between God, Self and Ego Philip St. Romain, 2014-06-06 What do we mean when we use the terms God Self and Ego To what experiences do these terms point What are the relationships between them This book by Philip St Romain M S D Min goes beyond semantics to provide an experiential approach to understanding God Self and Ego It also situates this understanding in an anthropology that will be agreeable to most psychologists and Christian spiritual directors Different zones of intimacy between God Self and Ego are identified each with differing requirements

Awakening Consciousness Lindsay S Godfree,2017-02-27 Shifting from a deep depression to a spiritual awakening experience and seeing Divinity everywhere is not something that anyone expects or that someone sets off to accomplish But that is what happened to Lindsay as she does everything she can think of to feel better It is quite an amazing journey of discovery While this type of spiritual experience is not exactly main stream she has been able to make sense out of her life story and connect with people who seem to have had similar experiences To those who are awakening to an expanded version of self Lindsay wants to say You are not alone Everyone is waking up into greater consciousness and eventually to experience Oneness For those who are trying to make sense of this epic shift in consciousness that is happening through us Lindsay offers some insight and choices The message she wants to share from experiencing God or Cosmic Consciousness is this I want everyone to know that everything that happens is perfect We are perfect and loved just the way we are There is nothing that you need ever fear because you are loved beyond anything that you can imagine You are one with that love and all that is Adventures in Prayer: The Magic of Discovery Sharon A.
