The Bible's Answers to 100 of Life's Biggest Questions Norman L. Geisler, Jason Jimenez, 2015-01-13. Every believer has questions about God, the Bible, Jesus, and the purpose and meaning of life. The vexing problem is that so few believers are able to answer even the most basic ones. Without answers, doubt creeps in and the future of the church is in jeopardy. With insight and precision, Geisler and Jimenez address one hundred penetrating questions that the culture asks and Christians must be prepared to answer, including both controversial questions raging in the public sphere and personal questions about family issues. The purpose and meaning of life and the future of the world. Christians from every walk of life, especially young believers, youth workers, and parents will treasure this comprehensive resource. Foreword by Josh and Sean McDowell.

Got Questions? S. Michael Houdmann, 2014-04-24. Everyone has questions. Young children ask why. Teenagers ask why not. Adults sometimes lament what if. The God who created us and who loves us has given us the answers to life's most pressing questions in His Word. Yet many people have no idea that God has the answers and has made them available in the Bible. Whether it is a question about where we will spend eternity or how to deal with the pain of a broken relationship, you can be sure it has been asked and answered already on www.GotQuestions.org, the source for this book. Sadly, many individuals and ministries who offer advice are not biblically and theologically solid. That's why Got Questions is crucially needed: a resource that answers questions explicitly from a biblical perspective with solid evangelical theology. Written in an easy-to-understand format and organized in easy-to-follow sections, Got Questions will help readers find the answers to the most frequently asked questions regarding spiritual matters. The questions were asked by real people struggling through real life issues who received solid practical answers from the Bible. The articles in this volume are compiled from the more than 3,800 frequently asked questions on our website, which are read over 7 million times each month. Some of the articles have been translated into 150 languages. Many books present teaching
