

SAFETY RULES FOR LIFT TRUCK OPERATORS

◆ Warning Decals, Location

There are several specific warning decals on your lift truck. Their location and description of the potential hazard are reviewed in this section. Please take the time to familiarize yourself with these decals.

Be sure you can read all warning and instruction decals. If you cannot, clean or replace them. Use a cloth and soap and water to clean them.

You must replace a decal if it is damaged, missing or cannot be read. If a decal is on a part that is replaced, make sure a new decal is placed on the new part. Contact your Cat lift truck dealer for new decals.
