Fit to Be Tied Rebecca M. Kluchin, 2011 The 1960s revolutionized American contraceptive practice Diaphragms jellies and condoms with high failure rates gave way to newer choices of the Pill IUD and sterilization Fit to Be Tied provides a history of sterilization and what would prove to become at once socially divisive and a popular form of birth control During the first half of the twentieth century sterilization tubal ligation and vasectomy was a tool of eugenics Individuals who endorsed crude notions of biological determinism sought to control the reproductive decisions of women they considered unfit by nature of race or class and used surgery to do so

Incorporating first person narratives court cases and official records Rebecca M Kluchin examines the evolution of forced sterilization of poor women especially women of color in the second half of the century and contrasts it with demands for contraceptive sterilization made by white women and men She chronicles public acceptance during an era of reproductive and sexual freedom and the subsequent replacement of the eugenics movement with neo eugenic standards that continued to influence American medical practice family planning public policy and popular sentiment **Deduct It!** Stephen Fishman,2022-11-29 Deduct It shows you how to maximize your business deductions quickly easily and legally Whether your business is just starting or well established this book is indispensable to your financial success Catalog of Federal Domestic Assistance ,2010 Identifies and describes specific government assistance opportunities such as loans grants counseling and procurement contracts available under many agencies and programs **Monthly Catalog of United States Government Publications** United States.
