Assessment in Emergent Literacy Khara L. Pence, 2007-01-15

Partners in Teaching and Learning Melissa N. Mallon, 2020-09-15 An academic library's instruction program reflects and communicates its vision for teaching and learning within the context of its institution and the instruction coordinator plays an essential role in shaping and advancing this vision

Instruction coordinators and directors in academic libraries may have a variety of titles and wear an entire wardrobe's worth of hats but they face many of the same challenges in developing promoting and evaluating their instruction programs

This book approaches using the instruction program as the catalyst to

further the library's agenda for teaching and learning and gives instruction program directors a set of resources that will help them map out, enact, and assess the impact of this agenda. This book is ideal for librarians and administrators who direct, coordinate, or lead an academic library's teaching and learning program and is particularly useful for new instruction program coordinators, either those new to their position or new to their institution.

Keys to Curriculum Mapping Susan Udelhofen, 2005-02-24

Build bridges to a brighter future when you plan with curriculum mapping. What role does curriculum mapping play in addressing all content standards? How does it promote staff development? How can educators use curriculum mapping to match teaching with assessment? Proper preparation for the curriculum mapping process insures success and eventual expertise in this highly rewarding process. This practical resource provides the tools necessary for successful implementation and exciting results. *Keys to Curriculum Mapping* is packed with templates, flowcharts, tips, and troubleshooting techniques for curriculum mapping. Drawing on her own experience as well as her collaboration with curriculum mapping expert Heidi Hayes Jacobs, Udelhofen includes processes for finding time for curriculum mapping, sharing information with colleagues within the curriculum mapping framework, adapting curriculum mapping to support other school-based programs, utilizing curriculum mapping to implement No Child Left Behind initiatives. Curriculum mapping provides more than a map of curriculum units, assessment formats, and scheduling; it allows educators to build relationships, improve schools, and meet assessment goals.

Mapping Comprehensive Units to the ELA Common Core Standards, 6-12 Kathy Tuchman Glass, 2013-05-09

Your blueprint for skilled Common Core literacy alignment.
