Marie Dans La Liturgie De Byzance:

The Virgin Mary in Byzantium, c.400-1000 Mary B. Cunningham,2022-09-08 The Virgin Mary assumed a position of central importance in Byzantium This major and authoritative study examines her portrayal in liturgical texts during the first six centuries of Byzantine history Focusing on three main literary genres that celebrated this holy figure it highlights the ways in which writers adapted their messages for different audiences Mary is portrayed variously as defender of the imperial city Constantinople virginal Mother of God and ascetic disciple of Christ Preachers hymnographers and hagiographers used rhetoric to enhance Mary s powerful status in Eastern Christian society depicting her as virgin and mother warrior and ascetic human and semi divine being Their paradoxical statements were based on the fundamental mystery that Mary embodied she was the mother of Christ the Word of God who provided him with the human nature that he assumed in his incarnation This title is also available as Open Access on Cambridge Core [Toward an Ecology of Transfiguration](#) John Chryssavgis,Bruce V. Foltz,2013-06-03 Can Orthodox Christianity offer unique spiritual resources especially suited to the environmental concerns of today This book makes the case that yes it can In addition to being the first substantial and comprehensive collection of essays in any language to address environmental issues from the Orthodox point of view this volume with contributions from the most highly influential theologians and philosophers in contemporary world Orthodoxy will engage a wide audience in academic as well as popular circles resonating not only with Orthodox audiences but with all those in search of a fresh approach to environmental theory and ethics that can bring the resources of ancient spirituality to bear on modern challenges *Mary, the Apostles, and the Last Judgment* Stanislava Kuzmova,Andrea-Bianka Znorovszky,2020-12-31 This volume presents a timely contribution to the growing body of scholarship on the apocryphal writings and their reception in the Middle Ages especially in connection with visual representation It aims to bridge what often remains disconnected the visual art and the written text the early Christian roots and medieval reception the East and the West as well as methodologies of various disciplines The studies in this volume firstly investigate issues related to the Virgin Mary and through them also the status function and identity of women Mary and the female element thus represent significant models and or background figures in fields pertaining to theology religious studies textual studies manuscript studies and art history in a trans disciplinary perspective Secondly the studies focus on the apostles and the Last Judgment their visual representations and the use of apocryphal sources The volume is divided in two parts according to two major topics Part I dealing with Mary in the Apocrypha and Part II focusing on the Apostles and the Last Judgment **And Taking Bread ...** Mahlon H. Smith,1978 *The Oxford Handbook of Mary* Chris Maunder,2019-08-07 The Oxford Handbook of Mary offers an interdisciplinary guide to Marian Studies including chapters on textual literary and media analysis theology Church history art history studies on devotion in a variety of forms cultural history folk tradition gender analysis apparitions and apocalypticism Featuring contributions from a distinguished group of international scholars the Handbook looks at both

Eastern and Western perspectives and attempts to correct imbalance in previous books on Mary towards the West The volume also considers Mary in Islam and pilgrimages shared by Christian Muslim and Jewish adherents While Mary can be a source of theological disagreement this authoritative collection shows Mary's rich potential for inter faith and inter denominational dialogue and shared experience It covers a diverse number of topics that show how Mary and Mariology are articulated within ecclesiastical contexts but also on their margins in popular devotion Newly commissioned essays describe some of the central ideas of Christian Marian thought while also challenging popularly held notions This invaluable reference for students and scholars illustrates the current state of play in Marian Studies as it is done across the world

Byzantine Rome and the Greek Popes Andrew J. Ekonomou, 2007-01-26 Byzantine Rome and the Greek Popes examines the scope and extent to which the East influenced Rome and the Papacy following the Justinian Reconquest of Italy in the middle of the sixth century through the pontificate of Zacharias and the collapse of the exarchate of Ravenna in 752 A combination of factors resulted in the arrival of significant numbers of easterners in Rome and those immigrants had brought with them a number of eastern customs and practices previously unknown in the city Greek influence became apparent in art religious ceremonial and liturgics sacred music the rhetoric of doctrinal debate the growth of eastern monastic communities and charitable institutions and the proliferation of the cults of eastern saints and ecclesiastical feast days and in particular devotion to the Theotokos or Mother of God From the late seventh to the middle of the eighth century eleven of the thirteen Roman pontiffs were the sons of families of eastern provenance While conceding that over the course of the seventh century Rome indeed experienced the impact of an important Greek element some scholars of the period have insisted that the degree to which Rome and the Papacy were orientalized has been exaggerated while others argue that the extent of their byzantinization has not been fully appreciated The question has also been raised as to whether Rome's oriental popes were responsible for sowing the seeds of separatism from Byzantium and laying the foundation for a future papal state or whether they were loyal imperial subjects ever steadfast politically although not always so in matters of the faith to the reigning sovereign in Constantinople Finally there is the important issue of whether one could still speak of a single and undivided imperium Roman christianum in the seventh and early eighth centuries or whether the concept of imperial unity in the epoch following Gregory the Great was a quaint and fanciful fiction as East and West ignoring and misunderstanding one another

Aleister Crowley and the Temptation of Politics Marco Pasi, 2014-09-11 Aleister Crowley 1875-1947 is one of the most famous and significant authors in the history of western esotericism Crowley has been long ignored by scholars of religion whilst the stories of magical and sexual practice which circulate about him continue to attract popular interest Aleister Crowley and the Temptation of Politics looks at the man behind the myth by setting him firmly within the politics of his time and the development of his ideas through his extensive and extraordinarily varied writings Crowley was a rationalist sympathetic to the values of the Enlightenment but also a romantic and a reactionary His search for an alternative way to

express his religious feelings led him to elaborate his own vision of social and political change Crowley's complex politics led to his involvement with many key individuals organisations and groups of his day the secret service of various countries the German Nazi party Russian political activists journalists and politicians of various persuasions as well as other writers both in Europe and America Aleister Crowley and the Temptation of Politics presents a life of ideas an examination of a man shaped by and shaping the politics of his times *St John Damascene* Andrew Louth, 2004 This text presents an overall account of the life and work of St John Damascene a one time senior civil servant in the Umayyad Arab Empire who became a monk near Jerusalem in the early years of the eighth century

The Religious Figural Imagery of Byzantine Lead Seals I John A. Cotsonis, 2020-03-17 The articles republished in this volume are ground breaking studies that employ a large body of religious figural imagery of Byzantine lead seals ranging from the 6th to the 15th century A number of the studies present tables charts and graphs in their analysis of iconographic trends and changing popularity of saintly figures over time And since many of the seals bear inscriptions that include the names titles or offices of their owners information often not given for the patrons of sacred images in other media these diminutive objects permit an investigation into the social use of sacred imagery through the various sectors of Byzantine culture the civil ecclesiastical and military administrations The religious figural imagery of the lead seals accompanied by their owners identifying inscriptions offers a means of investigating both the broader visual piety of the Byzantine world and the intimate realm of their owners personal devotions Other studies in this volume are devoted to rare or previously unknown sacred images that demonstrate the value of the iconography of Byzantine lead seals for Byzantine studies in general This volume includes studies dedicated to the image of Christ primarily found on imperial seals various images of the Virgin and narrative or Christological scenes A companion volume presents various articles focusing on sphragistic images of saints and on the religious imagery of Byzantine seals as a means of investigating the personal piety of seal owners as well as the wider realm of the visual piety and religious devotions of Byzantine culture at all levels CS1085

Biography of a Landmark, The Chora Monastery and Kariye Camii in Constantinople/Istanbul from Late Antiquity to the 21st Century, 2023-10-20 With its reconversion to a mosque in August 2020 the former monastic church of Saint Saviour in Chora entered yet another phase of its long history The present book examines the Chora Kariye Camii site from a transcultural perspective tracing its continuous transformations in form and function from Late Antiquity to the present day Whereas previous literature has almost exclusively placed emphasis on the Byzantine phase of the building's history including the status of its mosaics and paintings as major works of Palaiologan culture this study is the first to investigate the shifting meanings with which the Chora Kariye Camii site has been invested over time and across uninterrupted alterations interventions and transformations Bringing together contributions from archaeologists art historians philologists anthropologists and historians the volume provides a new framework for understanding not only this building but more generally edifices that have undergone interventions and transformations

within multicultural societies The open access publication of this book has been published with the support of the Swiss National Science Foundation

The Early Church in Its Context Abraham J. Malherbe, Frederick W. Norris, James W. Thompson, 2014-04-09 This volume honors Professor Everett Ferguson of Abilene Christian University on the occasion of his sixty fifth birthday Reflecting the interests of the honoree the twenty one contributions focus on various aspects of the early church and its environment Together the articles form a broad tapestry of interrelated topics informed from the disciplines of philosophy patristic theology archaeology rhetoric art Greco Roman religion and biblical studies

The Reception of the Virgin in Byzantium Thomas Arentzen, Mary B. Cunningham, 2019-08-15 Images and texts tell various stories about the Virgin Mary in Byzantium reflecting an important cult with strong doctrinal foundations

The Cult of St Anna in Byzantium Eirini Panou, 2018-05-11 The Cult of St Anna in Byzantium is the first undertaking in Byzantine research to study the phenomenon of St Anna s cult from the sixth to the fifteenth centuries It was prompted by the need to enrich our knowledge of a female saint who had already been studied in the West but remained virtually unknown in Eastern Christendom It focuses on a figure little studied in scholarship and examines the formation establishment and promotion of an apocryphal saint who made her way to the pantheon of Orthodox saints Visual and material culture relics and texts track the gradual social and ideological transformation of Byzantium from early Christianity until the fifteenth century This book not only examines various aspects of early Christian and Byzantine civilisation but also investigates how the cult of saints greatly influenced cultural changes in order to suit theological social and political demands The cult of St Anna influenced many diverse elements of Christian life in Constantinople including the creation of sacred spaces and the location of haghiasmata fountains of holy water in the city imperial patronage the social reception of St Anna s story and relic narratives This monograph breaks new ground in explaining how and why Byzantium and the Orthodox Church attributed scriptural authority to a minor figure known only from a non canonical work

Fountains and Water Culture in Byzantium Brooke Shilling, Paul Stephenson, 2016-10-13 This collection explores the ancient fountains of Byzantium Constantinople and Istanbul reviving the senses of past water cultures

Images of the Mother of God Maria Vassilaki, 2017-03-02 Fully illustrated in colour and black and white Images of the Mother of God complements the successful exhibition catalogue of the Mother of God exhibition at the Benaki Museum in Athens It brings together the work of leading international authorities and younger scholars to provide a wide ranging survey of how the Theotokos was perceived in the Byzantine world It embraces the disciplines of art historians archaeologists traditional and feminist historians as well as theologians philologists and social anthropologists Images of the Mother of God will appeal not just to those interested in Byzantine art and culture but also to scholars of Western Europe in the Middle Ages who are looking for comparative materials in their own work

Chekhov and Russian Religious Culture Julie W. De Sherbinin, 1997 Chekhov and Russian Religious Culture is an innovative study of the Virgin Mary and the saintly harlots Mary of Egypt and Mary Magdalene as a cultural paradigm encoded in Chekhov s prose

De Sherbinin establishes the authority of the Marian paradigm in nineteenth century Russian culture with a comprehensive overview of salient religious and literary texts then offers critical readings of more than fifteen Chekhov stories including key works such as Peasants Peasant Women and My Life De Sherbinin argues that Chekhov inverts and displaces the Christian meanings of Marian texts in order to reveal a vast array of problematized relationships to the canonized figures This illuminating semiotic reading of Chekhov explores questions of female identity as it probes the mindset of Russian Orthodox popular culture Mary for Time and Eternity William McLoughlin, Jill Pinnock, 2007 Coptic Bibliography, 1992

Unrivalled Influence Judith Herrin, 2013-03-11 Explores the exceptional roles that women played in the vibrant cultural and political life of medieval Byzantium Drawing on a diverse range of sources this title focuses on the importance of marriage in imperial statecraft the tense coexistence of empresses in the imperial court and the critical relationships of mothers and daughters Mary and the Art of Prayer Rachel Fulton Brown, 2017-11-21 Would you like to learn to pray like a medieval Christian In Mary and the Art of Prayer Rachel Fulton Brown traces the history of the medieval practice of praising Mary through the complex of prayers known as the Hours of the Virgin More than just a work of comprehensive historical scholarship the book asks readers to immerse themselves in the experience of believing in and praying to Mary Mary and the Art of Prayer crosses the boundaries that modern scholars typically place between observation and experience between the world of provable facts and the world of imagination suggesting what it would have been like for medieval Christians to encounter Mary in prayer Mary and the Art of Prayer opens with a history of the devotion of the Hours or Little Office of the Virgin It then guides readers in the practice of saying this Office including its invitatory Ave Maria antiphons psalms lessons and prayers The book works on several levels at once It provides a new methodology for thinking about devotion and prayer a new appreciation of the scope of and audience for the Hours of the Virgin a new understanding of how Mary functions theologically and devotionally and a new reading of sources not previously taken into account A courageous and moving work it will transform our ideas of what scholarship is and what it can accomplish
