Truth or Tradition? Les Leno, 2014-02-11 Many of us both Christians and non Christians alike hold deeply engrained erroneous beliefs about God Because of the prevalent views of our culture and what we have grown up hearing we often buy into one or more of the false truths that have circulated for centuries Whatever the belief system it determines what we think God is like how we relate to Him how we think He relates to us and how we think salvation works Thus a saving relationship with God and our eternal destiny depend on a belief system solidly based on truth In the light of Scripture Les Leno examines the most basic tenets of Christianity the law obedience sin salvation atonement legalism faith and the gospel to uncover the real truth that lies hidden beneath layers of tradition and misinterpretation As you read this book you will discover a God who loves sinners unconditionally who comes looking for us when we are afraid to be found and who paid the ultimate price to win us back to love and loyalty Perhaps you will meet God for the first time Or maybe your faith in and love for God will be reaffirmed Whatever the case discover for yourself what is Truth or Tradition **Included in Christ** Cristy Perdue MD, 2020-04-02 Countless faithful gay Christians serve God wholeheartedly while holding the Bible as the highest authority in their lives However many are rejected from families and churches based on the commonly held premise homosexuality is a sin Included in Christ offers the scriptural basis held by those who believe that the premise is wrong Many influential Christian leaders believe that someone within the LGBTQ community cannot be a Christian without renouncing their LGBTQ identity But is that true This book outlines every angle of the debate including the Bible passages as well as the idea that the entire Bible beginning in Genesis describes heterosexuality It concludes with the clarification within Scripture that God does not condemn gay Christians but welcomes them into His Kingdom God's Word and His Church exemplify His plan for one man one woman in the vast majority of Christian families This book explores biblical exceptions to the idea that heterosexuality is His perfect plan for everyone Additionally the author presents the evidence that the phrase homosexuals will not inherit the kingdom of God was a mistranslation from the original Greek Included in Christ provides readers with the tools they need both to make decisions regarding their beliefs about the LGBTQ community as well as to engage in debate If you believe that homosexuality is a sin against God please read this book with a red pen in hand You'll see the arguments from both viewpoints If you agree with the author's premise or are unsure of your stance this book is an excellent guide for navigating this topic according to the Bible from a perspective that affirms accepts loves and welcomes the LGBTQ community And you also were included in Christ when you heard the message of truth the gospel of your salvation When you believed you were marked in Him with a seal the promised Holy Spirit Who is a deposit guaranteeing our inheritance until the redemption of those who are God's possession to the praise of his glory Ephesians 1:13-14 **31 Proverbs to Light Your Path** Liz Curtis Higgs, 2017-10-03 Discover how to apply the ancient wisdom of the book of Proverbs to your modern life with this daily devotional and small group Bible study guide Take Heart Beloved His Light Is Shining And Your Path Is

Dr. Robert R. Seyda,2024-03-26 The Apostle John tells his readers he has an important message to tell them It is about a person who was already there before the beginning of the world We heard him speak We've seen Him with our own eyes We watched Him and we touched Him He is the Word that gives us life with God This is the message God is completely good and pure He is like light There is nothing dark about Him Amazingly John tells us that one of the things Jesus wanted us to understand is that by loving others we love God Yes we do make mistakes and so do other believers but we are not to hold that against them because just as we were given forgiveness by God's mercy and grace since we are in union with His Son so can they What we are not to do is claim access to this privilege but then live like those in the world Our goal is not just life but eternal life After all we are God's children and no child of God keeps on sinning after they are born again through Jesus the Anointed One **Coherent Chiastic Oeuvre in the Unity of Luke-Acts** John M. Powell,2025-06-20 This book expands

on scholarly arguments that the Gospel of Luke and Acts of the Apostles was originally intended as a single unified work It offers fresh insights by addressing overlooked perspectives and further exploring the literary theological and historical connections between the two volumes Central to this study is the argument that the ascension narratives at the end of Luke and the beginning of Acts form a chiastic structure uniting and conjoining both volumes Rather than redefining Luke Acts as First and Second Luke this study affirms their distinct literary genres Luke s Gospel rightly belongs among the canonical Gospels and Acts bridges the Gospels with the Epistles acting similar to a historical narrative It does not seek to alter their canonical separation but asserts that Luke deliberately composed them as a continuous interdependent account By examining how this pivotal event structures the text it provides compelling evidence of Luke s intentional design demonstrating that the ascension is the hinge that seamlessly connects both volumes Truth Aflame Larry D. Hart,2010-02-23 Larry Hart s Truth Aflame brings together charismatic renewal and classic evangelical faith better than anything I have read An important contribution to the contemporary renaissance in systematic theology Timothy George Dean of Beeson Divinity School of Samford University Executive Editor of Christianity Today As the Pentecostal charismatic movement continues to grow so does the need for solid theological resources for its members While there are many volumes of systematic theology available very few are written from a distinctly charismatic perspective Truth Aflame seeks to meet that need While academically sound Truth Aflame is written with a practical pastoral flavor Larry Hart defines systematic theology as the process of taking what the Bible teaches and relating it to contemporary questions and knowledge His passion for the subject is evident he is concerned that the reader both grasps the magnificence of the study of God and allows these great truths to be transformative This Truth then liberating enlivening and transforming Truth becomes central to the ongoing renewal of the church that we are seeing in our day Dr Hart treats each of the traditional categories revelation God creation humanity sin Christ salvation the church and last things from a Pentecostal charismatic perspective He addresses other theological viewpoints but does not get bogged down in analysis and rebuttal Further he seeks to build bridges of understanding to those evangelicals outside the charismatic tradition Clear succinct and readable this revised and updated edition of Truth Aflame is well suited not only for students but for anyone desiring a greater understanding of Pentecostal charismatic theology **Daily Guideposts 2017** Guideposts,2016-10-04 Daily Guideposts 2017 centers on the theme In God s Hands from Isaiah 41 10 and is filled with brand new devotions from 49 writers Each day readers will enjoy a Scripture verse a true first person story told in an informal conversational style which shares the ways God speaks to us in the ordinary events of life and a brief prayer to help focus the reader to apply the day s message For those who wish for more scriptural depth Digging Deeper provides additional Bible references that relate to the day s reading Enjoy favorite writers like Debbie Macomber Edward Grinnan Elizabeth Sherrill Patricia Lorenz Julia Attaway Karen Barber Sabra Ciancanelli Marion Bond West Brian Doyle and Rick Hamlin plus two new contributors In just five minutes a day Daily Guideposts helps readers find

God Really, Really Likes You Becky Proctor, 2021-12-30 Have you ever felt alienated from angry at intimidated by or otherwise disconnected from God You are not alone Countless people go through life feeling among other things that God doesn't like them but this book shares life changing news God really really likes you just the way you are barefaced unfiltered unpolished on your worst hair day ever In this book the author shares her own struggles with misunderstanding God beginning as a child I was a child who didn't ask many questions From bits and pieces of fundamental sermons and overheard conversations my image of God was anything but loving I pictured God as the enforcer the disapprover a bad Santa ready to catch me doing something bad She kept a respectful distance from God for years Learn what motivated her to finally accept God's offer of grace how simple it was to do and how fulfilling life is now that she knows God not only loves her but likes her as well and how God reveals Himself in the simplicity of everyday life So no matter how raggedly how despicable you are feeling God likes you and loves you He created you in His own image You are not some randomly occurring experiment or some fatally flawed lump of humanity You are not a victim of your circumstances or of another's bad decisions or someone else's selfish dreams You are God's creation made for a divine purpose to walk through this life on a journey that goes beyond your wildest dreams And the best part of all God's got your back every step of the way
