

Mass Air Flow Sensor

The image shows the engine compartment of a vehicle, likely a Ford, with the hood open. A white rectangular box with the text "Mass Air Flow Sensor" is overlaid on the image. A white arrow points from the text box to a sensor located on the air intake tube. The sensor is a small, cylindrical component with a black electrical connector. The engine cover is visible in the background, and the battery is on the right side. The front grille and headlight are visible in the foreground.
