The Complete Guide to Writing & Publishing Your First e-Book Martha Maeda, 2015-02-06 The advent of Amazon's Kindle in 2007 allowed millions of writers to make the leap from paper to the electronic screen. Several eReader competitors recently joined the ring introducing products such as the Apple iPad, Barnes & Noble Nook, the updated Sony Reader, and Samsung Papyrus. The publishing world is experiencing a revolution with these electronic readers, and you can catch up to speed by learning the ins and outs of publishing with this low cost, high profit publisher. **The Complete Guide to Writing Publishing Your First eBook** is a guide for anyone who's dreamt about becoming a published author and is intrigued by the profitable new prospect of ePublishing but didn't know where to start. eBook sales hovered around 500 million at the end of 2009 and are steadily climbing. If you're passionate about writing and using new technology to market yourself and your work, this book will explain how you can do what you love and increase your earning potential. Start off with understanding what an eBook is and the differences between traditional and digital publishing and the benefits involved. You will identify and learn the details of more than 15 eReaders, including the three top-selling Kindle, Nook, and Sony Reader. You will employ the basics of analyzing your audience, brainstorming, writing, editing, and marketing according to the type of eReader. You will learn the process of getting your book published, how to change or alter the format or style of your book to match the necessities of the eReader, and how to optimize the format of any text for e-reading. We spent dozens of hours interviewing writers who are experts in the art of digital publishing to provide a complete overview of everything you need to know about publishing your eBook. Not only will you learn how to upload your work through an eReader; you will also hone your writing skills with tips, writing exercises, and writing resources. You will learn how to target your book to the right demographic and what you can do to promote your book in online inventories. You will learn the basics of viral marketing, promotion, SEO, and building a business with digital publications. You will learn how to work with your eReader to produce innovative content, and you will learn how to monitor for updates to the electronic publishing industry. No matter what your goals are, you can start publishing from your home with eReader technology.

Format Your Book Mark Stattelman, 2020-06-19 **FORMAT YOUR BOOK FOR AMAZON USING MICROSOFT WORD** Don't pay for formatting. This book breaks it all down. You'll be formatting your manuscript in record time. This book has it all nicely laid out. You know what you need. Just go straight to the section you need. Do something, and a page number disappears. I'll tell you exactly what clicks to make to get it back. Change a header for one section or chapter, and all of the chapters following that one change. Not what you intended, right? I'll tell you how to fix it. It took me almost a month to figure out how to format my first book in Microsoft Word. It was frustrating. Strange things would happen with the text, and I couldn't figure out why or how to fix it. I watched a ton of YouTube videos to pick up a suggestion here and there from each video. Eventually, after days and weeks, I had a general idea of where to look for the problem. I then had to figure out exactly how to fix that problem. I wanted to pull my hair out. But finally, I got that first book formatted and

then the second third etc Things got a little easier I knew exactly where the trouble spots would be and I generally knew how to fix the problem I do now anyway Are there still glitches Absolutely I m certainly not an expert but I can get the job done in a reasonable amount of time I m working on shortening that time even more And I m trying to shorten the time for you No one should have to just muddle through and spend weeks trying to solve what could be a very simple problem if that person just knew what to click on next The most you ll have to do is figure out what type of font to use or the trim size you want etc All the rest will be pretty much just a matter of you flipping to the correct section Want to add a header It s there Along with showing you how to format in Word I show you the basic ins and outs of Kindle Create A little effort up front and you re on your way Don t pay someone else to do a job you can do yourself Format your own book exactly how you want Publishing E-Books For Dummies Ali Luke,2012-09-11 Publish market and sell your own e book Although creating an e book seems fairly straightforward it is not You need to select and create a variety of formats that will be read on a variety of e reader devices and market and sell your book in a variety of ways Before you take the plunge get this practical guide With clear instruction and sensible advice it will help you navigate the often confusing time consuming and costly world of self publishing an e book The book gives you solid marketing tips for selling your e book including using blogging and social media and how to build an online platform It also discusses key technologies you ll encounter including Smashwords iBooks Author Amazon Microsoft Word Open Office Calibre WordPress E junkie and others Helps readers navigate the confusing time consuming and often costly world of self publishing an e book Provides both technical how tos as well solid marketing advice on how to sell your e book using Facebook Twitter Goodreads and other social media sites Covers essential technologies such as Smashwords iBooks Author Amazon Microsoft Word Open Office Calibre WordPress and E junkie Explores e book devices including Kindle Kobo Sony Reader Nook iPad and other tablets Delves into the nitty gritty of e book formats Before you self publish your e book start first with Publishing eBooks For Dummies **How to Self-Publish Your Book Using Microsoft Word 2010** Edwin Scroggins,2010-09-03 YOU CAN DO IT What if you could design layout and format your own book and then convert it to PDF and publish it all at little or no cost This book and a self publishing firm such as CreateSpace can make this happen If you are tired of getting your book proposals rejected by traditional publishers here at last is a solution that will make your failed dreams come true This one of a kind book offers highly detailed technically precise instructions that will lead you through the entire process of designing formatting your book to your self publisher s specifications You will learn how to organize configure your book s elements as per The Chicago Manual of Style You will find out how to insert 300 dpi images into your book s pages You will master the difficult process of inserting unlinking section breaks and of inserting header text page numbers And you will actually learn how to design format a cover for your book YOU CAN DO IT What are you waiting for *Self-Publishing For Dummies* Jason R. Self-publishing is getting common nowadays due to the low upfront costs for authors and accessibility of digital technologies and web-based publishing software. In countries like India, authors are increasingly using self-publishing tools as they are becoming more widely available in English as well as regional languages. Moreover, the platforms to sell the books that are self-published are also becoming more easily accessible and affordable. In this book, we discuss the steps for an author to self-publish their manuscript. We go through some of the various tools and platforms currently available and how to use them. It is hoped that this book will be a useful resource for authors, including new Indian authors and those publishing in Indian languages, to know where to begin and what to do in their self-publishing journey. *The Christian Writer's Manual of Style* Robert Hudson, 2016-08-30.
