Genesis 1-25 Charles E. Hummel, Anne Hummel, 2011-10-18 Do you struggle to know and follow God's call for you in the world In this fourteen session LifeGuide Bible Study on Genesis tells us that even the giants of faith Abraham Isaac Jacob and Joseph struggled to obey their Creator But Genesis also reveals the amazing truth that the God who called a world and a nation into being also calls each of us to serve him **Christian Short Stories, Intrigues, Poems, Phrases and**

**Christian Literature** Charles Brown, 2016-03-28 This book is a MUST read Anyone who care about the greatness of the United States and believe in the resurrection of Jesus the Christ will surely add to their stature by reading this book This book speak to how Jesus Christ approached the social issues we face today and how the United States is blessed through the recognition of her failures **A Forty-Day Study on Sin, Salvation, and Sanctification** Rick Jory, 2019-11-06 Sin We don't

seem to talk about sin anymore For some it hits too close to home creating a feeling of guilt and unworthiness Others deal with the issue simply by comparing themselves to the worst of the worst or even a beer drinking neighbor next door who doesn't pull all of the weeds from his yard They certainly aren't as bad as this so they remain with their pride and self righteousness intact and unthreatened **Old Testament Studies** Prince Emanuel Burroughs, 1915 Comprehensive

Study of the Origin of Humankind RYANNE MAXINE MEYERSON, 2023-02-25 AWARD WINNING BOOK Silver Medal Readers Favorite International Book Award Contest and 5 Stars Book Reviews Literary Titan Gold Book Award and 5 Stars Book Reviews Amazon Bestseller 1 History of the Middle East and 2 Ancient Early Civilization History The Anunnaki gods from the planet Nibiru carried out a mission on Earth and the story was documented in clay tablets or Mesopotamian texts discovered in the ruins of buildings in the Middle East Scholars have proposed that some Genesis stories had already appeared in Mesopotamian texts thousands of years ago This proposal motivated us to evaluate the most relevant texts Although most scholars believe that the Mesopotamian texts are mythology the research was carried out under the premise that their content corresponds to real events Analysis of academic translations of the texts revealed that many details critical to understanding the story have not been revealed An exhaustive analysis of the data determined the most probable dates of the events The book presents the events related to the arrival of the Anunnaki to Earth and the consequences of their mission chronologically according to findings in Mesopotamian texts and ancient books Various sources including apocryphal books reports from ancient historians scientific research and archaeological records supplemented the research Many riddles were decoded including who the Anunnaki and the Igigi watchers Nephilim were Why when and how did H sapiens originate how did the other species arise and why did they become extinct Why and when did the Anunnaki arrive and finally leave Earth When will the planet Nibiru return to our area in the inner solar system The results and findings of this research deserve to be known due to the probability that the stories in the Mesopotamian texts really happened The book's proposals differ from what we have learned in educational institutions about the origin of humanity and invite critical thinking to reflect on the

history of the Anunnaki gods Enthusiastic readers of the extraterrestrial theme will find innovative proposals **The Blood of Abel** Mark Harold McEntire,1999 While much has been said about peace in the Bible and about God and violence war and retribution in the Old Testament this book looks at how violence is the undercurrent of the plot of the Hebrew Bible In the Beginning Bernard F. Batto,2013-05-01 Bernard F Batto spent the bulk of his career examining the ancient Near Eastern context of the Hebrew Bible with particular interest in the influence of the surrounding cultures on the biblical creation stories This collection gathers six of his most important previously published essays and adds two new contributions Among the essays Batto identifies various creation motifs prevalent in the ancient Near East and investigates the reflexes of these motifs in Genesis 1 11 and other biblical accounts of the primeval period He demonstrates how the biblical writers adapted and responded to the creation ideas of Mesopotamia Egypt Ugarit and elsewhere The articles in the volume were written as independent essays Nevertheless they are united by theme Throughout Batto makes clear his understanding of the Hebrew Bible as a patently unique text yet one that cannot possibly be understood independent of greater cultural sphere in which it developed In the Beginning will serve as an indispensable resource for those interested in both the biblical ideas of creation and the mythology of the ancient Near East that influenced them **The End! Bramsen,1998      **Ruled Reading and Biblical Criticism** Matthew T. Bell,2019-11-04 In Ruled Reading and Biblical Criticism Matthew T Bell contends that the gulf in interpretive priorities between ancient and modern readers has been exaggerated and that careful study of early Christian reading practices suggests that it is both possible and productive to recontextualize early Christian ruled reading for a postmodern setting Modern prejudice holds that ancient Christian interpretation was relatively unconcerned with history and concomitantly determined to foist extrascriptural doctrinal commitments onto scripture silencing those layers of scripture's meaning that modern criticism has been most concerned with uncovering In this book Bell argues that when the ethos and theology of reading in the early Church are taken into account premodern interpretive priorities turn out to be less implausible than the modern world has believed them to be Through close reading of ancient Christian texts Bell outlines an ontology of scripture wherein the relationship between early Christianity's Rule of Faith on one hand and its scriptures on the other was expressly constructed as a hermeneutical spiral the slant of which was designed to attend to and be edified by textually mediated conundrums and intellectual provocations Viewed along that spiral the Church's Rule was as scriptural as the Church's catalog of scriptures was ruled This book will be welcomed by academics who study early Christianity and scripture as well as scholars interested in reconsidering Christian hermeneutical questions for a postmodern age
