Drug and Alcohol Abuse Prevention Program (DAAPP)

WAU COMMUNITY STANDARDS AND POLICIES

Washington Adventist University is committed to creating a community that demonstrates belief in the Word of God. In our community, we believe the Word of God establishes the principles that are to guide personal development and govern behavior. These principles include, but are not limited to, the responsibility to do the following:

- **Love God** This involves a wholehearted commitment to know and obey God's Word as it applies in both thought and action, and thoughtful management of our intellect, abilities, sexuality, relationships, financial resources, and time. (Matthew 23:37; Ephesians 4:17-6:18).
- **Love our neighbor as we love ourselves** (Matthew 22:39). This involves an unselfish commitment to understand and help others as we serve in love (Galatians 5:13, 14).

Even though every student may not have personal convictions as outlined above, all students are responsible to know and abide by all community standards, policies, and regulations of Washington Adventist University. This policy is distributed in writing to students annually in the Student Handbook and is distributed annually to employees by the employee Handbook.

The rules of any community grow out of a particular tradition. Washington Adventist University is a Seventh-day Adventist institution and, as such, adheres to the tenets and traditions of the Seventh-day Adventist Church. We hold in high esteem the following characteristics: honesty and integrity; thoughtfulness in social relationships and entertainment; respect of the rights, opinions, and property of others and respect for and obedience to the laws of the city, state, and federal government; Therefore, all students are expected to abide by the following standard for use of tobacco, drugs and alcohol:

WAU is a drug-free campus. The University recognizes that the use of tobacco products and alcoholic beverages presents a danger to personal health. Use of these products by members of the WAU community is prohibited. No member of the community may use, possess, or distribute tobacco, alcohol, or illegal drug products on or off campus. Students whose off-campus behavior reflects negatively on the University community, or who return to campus under the influence of alcohol or illegal drugs, will be subject to disciplinary action.

SUBSTANCE ABUSE POLICY (see Student Handbook for further details)

Washington Adventist University is committed to providing a drug-free environment to help students attain the highest level of mental, physical, moral, and spiritual health. This will allow students to be truly free and in control of their lives. Because of this commitment, Washington Adventist University is an alcohol-, drug-, and tobacco-free campus. Each citizen of the University community is expected to remain drug-free, abstaining from the use of alcoholic beverages and/or containers, tobacco products, illegal drugs, or drug paraphernalia. This policy has been established to educate, to provide a means for counseling and rehabilitation, and to outline a discipline process. If you, as a student have a substance abuse problem, please notify the Campus Counselor or a residence hall dean for immediate help.

Washington Adventist University reserves the right to investigate students where reasonable suspicion exists of drug or alcohol involvement. This includes the right to search offices, lockers, on-campus vehicles, residence hall rooms, cases, and bags, and the right to require an appropriate drug test and confirmation by retest. If a search is to be made, it must be authorized by a residence hall dean, Director of the Department of Safety and Security, Vice President, or President of the University. Initial identification of a problem may be made by a supervisor, faculty member, colleague, concerned other, or by self-referral.

FEDERAL LAWS REGARDING POSSESSION OF CONTROLLED SUBSTANCES

All WAU students, faculty and staff at Washington Adventist University are subject to federal, state, and local laws for the possession and distribution of illegal drugs and for drinking and obtaining alcohol.
