Assurance of Learning Ready

Each test bank question for **Fundamental Financial Accounting Concepts** maps to a specific chapter learning outcome/objective listed in the text. You can use our test bank software, EZ Test and EZ Test Online, or in Connect Accounting to easily query for learning outcomes/objectives that directly relate to the learning objectives for your course. You can then use the reporting features of EZ Test to aggregate student results in similar fashion, making the collection and presentation of assurance of learning data simple and easy.

AACSB Statement

The McGraw-Hill Companies is a proud corporate member of AACSB International. Understanding the importance and value of AACSB accreditation, **Fundamental Financial Accounting Concepts 7e** recognizes the curricula guidelines detailed in the AACSB standards for business accreditation by connecting selected questions in the test bank to the six general knowledge and skill guidelines in the AACSB standards.

The statements contained in **Fundamental Financial Accounting Concepts 7e** are provided only as a guide for the users of this textbook. The AACSB leaves content coverage and assessment within the purview of individual schools, the mission of the school, and the faculty. While **Fundamental Financial Accounting Concepts 7e** and the teaching package make no claim of any specific AACSB qualification or evaluation, we have within **Fundamental Financial Accounting Concepts 7e** labeled selected questions according to the six general knowledge and skills areas.
