Marked for a Miracle Larry Littrell, 2014-12-23 Dad had quit breathing I sobbed uncontrollably as Chris tried to take control of the situation He told me we had to be the strong ones now All I remember at that point was trying to push past him to see my father but all I could see was the sheet as the helicopter paramedics tried to revive my dad I feared the words We lost him But God had a different plan They intubated Dad and then they flew to St Mary s Hospital in Knoxville Tennessee It s surprising how many people don t believe in miracles In Marked for a Miracle author Larry Littrell testifies to the many divine interventions he personally witnessed from being raised in a single parent home to having multiple spine surgeries a massive heart attack a near death experience and now the hardest battle of all ALS amyotrophic lateral sclerosis or Lou Gehrig s disease He had been gifted with strength from the Almighty to have worked a full time job and served as a pastor in several churches in Kentucky Tennessee and Virginia until his last assignment as pastor of New Bethel Tabernacle in Tazewell Tennessee As you journey through Marked for a Miracle you will feel the intensity of the spirit in which it was written

The Gospel according to Mark Camille Focant,2012-07-06 The world to which the Gospel of Mark introduces its reader is a world of conflicts and suspense enigmas and secrets questions and overturning of evidence irony and surprise Its principal actor Jesus is perplexing in the extreme He is evidently so for the religious authorities who oppose him but also for his disciples who shift from incomprehension to opposition and flight Questions of meaning life and death good and evil are continually broached This narrative is a subtle invitation to enter into a new world that of the coming Reign of God in which the first are last and whoever wants to save his life must lose it This commentary on the Gospel of Mark has been enthusiastically reviewed in the French edition as one of the best current commentaries on Mark As a narrative critical commentary it favors an interpretation of the Gospel that tries to grasp the dynamic of the text taken as a whole Even if the technical vocabulary of narrative analysis is not used and the main results of the historical critical criticism particularly those of redaction criticism are not neglected as the notes will reveal it is narrative criticism that guides the proceedings
