With over 100 years of providing world class accounting and finance qualifications the ACCA has significantly raised its international profile in recent years and now supports a BSc Hons in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. F7 is a demanding paper covering all the fundamentals of financial reporting. It has five main sections: 1 The conceptual framework of accounting 2 The regulatory framework 3 Preparation of financial statements which conform with IFRS 4 Preparation of consolidated financial statements 5 Analysis and interpretation of financial statements. F7 builds on knowledge from F3 or old paper 1. 1 New topics introduced at this level are consolidated financial statements construction contracts financial instruments and leases. International is now the ACCA main stream. We also provide materials for the F7 UK variant. This study text has been reviewed by the examiner and concentrates on the key areas of the syllabus taking into account the examiner's guidance on how topics will be examined. The text has a step by step approach to producing consolidated financial statements and lots of exercises which allow you to practise the workings. We guide you through the more problematic topics which can be brought into the preparation of single company financial statements and encourage you to develop the critical awareness of problems in financial reporting which the examiner expects to see demonstrated at this level. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams.

CIMA F1 BPP Learning Media, 2012-09-01 F1 builds on knowledge from paper C2 and introduces tax at a very basic level. It is not based on any tax regime. Financial reporting is a major part of the syllabus both single company and group accounts are examined in the two 25 mark questions in section C. New financial reporting topics introduced at this level are group accounts construction contracts financial instruments and leases. It has four main sections: The principles of business taxation The principles of regulation of financial reporting Preparation of financial statements which conform with IFRS Consolidated financial statements. The study text concentrates on the key areas of the syllabus taking into account the way in which topics are examined. The text has a step by step approach to producing financial statements and lots of exercises in which you can practice the workings.
