Danny Bundy and the Search for the Butterfly Gilbert M. Balderrama, 2019-04-02 A little boy's search for a butterfly takes him on an epic adventure through the woods behind his house in this illustrated children's story. Young adventurer Danny Bundy loves to explore the forest behind his house. There is so much to see in there. The other boys in his class like to trap bullfrogs and other animals but for show and tell. On Monday, Danny is looking for something much more beautiful: a monarch butterfly. But this forest has more in store for Danny, and now he's in for a real adventure. As readers travel through the woods with Danny, they learn about the different plants and animals that live there. Along with informative vocabulary, Danny learns how to respect our environment and fellow creatures, including Bernie the Bullfrog, Lady Sue the Squirrel, and more.
