fort in a daring act that pushed the nation to the edge of civil war After First Manassas Bull Run 156 captured Yankee officers and enlisted men were sent to the island and in 1863 members of the famous 54th Massachusetts were held there as POWs The fort s guns helped defend Charleston during the war s longest siege By 1865 the old fortress had been transformed into an earthen barbette battery with a Brooke Rifle and three giant 10 inch Columbiads During Reconstruction Pinckney became an American Bastille for Southerners accused of crimes against the government Authors Roberts and Locke rely on extensive primary research and archaeological evidence to tell the full story of Castle Pinckney for the first time Given its importance to America s history it is a history long overdue
