Exploring Language Gary Goshgarian, 2009-02 *Exploring Language* features thought provoking readings that explore the various interconnections between language and American society The text challenges the reader to critically examine how language affects and constructs culture and how culture constructs and affects language Key topics include Gender and Language Hate Speech Language of War Censorship **The Piety of John Witherspoon** L. Gordon Tait, 2001-01-01

Presbyterian minister John Witherspoon was a key figure politically and religiously in the formative years of the United States In this fresh account of Witherspoon's thought L Gordon Tait focuses on Witherspoon's piety the way Witherspoon believed that the Christian faith should take visible and practical form in ministry politics and everyday obedience and devotion *The Piety of John Witherspoon* is filled with photographs from Witherspoon's life and Tait's comprehensive treatment of Witherspoon makes a significant contribution to the understanding of his impact on church education and society **Toward Translingual Realities in Composition** Nancy Bou Ayash, 2019-09-26

Toward Translingual Realities in Composition is a multiyear critical ethnographic study of first year writing programs in Lebanon and Washington State a country where English is not the sole language of instruction and a state in which English is entirely dominant to examine the multiple and often contradictory nature forces and manifestations of language ideologies The book is a practical useful way of seriously engaging with alternative ways of thinking doing and learning academic English literacies Translingualism work has concentrated on critiquing monolingual and multilingual notions of language but it is only beginning to examine translingual enactments in writing programs and classrooms Focusing on language representations and practices at both the macro and micro levels author Nancy Bou Ayash places the study and teaching of university level writing in the context of the globalization and pluralization of Englishes and other languages Individual chapters feature various studies that Bou Ayash brings together to address how students act as agents in marshaling their language practices and resources and shows a deliberate translingual intervention that complicates and enriches students assumptions about language and writing Her findings about writing programs instructors and students are detailed multidimensional and complex A substantial contribution to growing translingual scholarship in the field of composition studies *Toward Translingual Realities in Composition* offers insights into how writing teacher scholars and writing program administrators can more productively intervene in local postmonolingual tensions and contradictions at the level of language representations and practices through actively and persistently reworking the design and enactment of their curricula pedagogies assessments teacher training

programs and campus wide partnerships

Beyond Grammar Mary R. Harmon, Marilyn J. Wilson, 2012-09-10 *Beyond Grammar Language Power and the Classroom* asks readers to think about the power of words the power of language attitudes and the power of language policies as they play out in communities in educational institutions and in their own lives as individuals teachers and participants in the larger community Each chapter provides extended discussion of a set of critical language issues that directly affect students in classrooms the political nature of language the power of words hate language and bullying gender and language dialects and language policies Written for pre service and practicing teachers this text addresses how teachers can alert students to the realities of language and power removing language study from a neutral corner to situate it within the context of political social and cultural issues Developing a critical pedagogy about language instruction can help educators understand that classrooms can either maintain existing inequity or address and diminish inequity through critical language study A common framework structures the chapters of the text Each chapter begins with an overview of the language issue in question and includes references for further research and for classroom use and provides applications for classroom teachers Numerous references to the popular press and the breadth of language issues found therein foreground current thought on socio cultural language issues attitudes standards and policies found in the culture s at large References to current and recent events illustrate the language issue s importance cartoons address the issue and brief For Thought activities illustrate the point being discussed and extend the reader s knowledge and awareness Personal Explorations ask readers to go beyond the text to develop further understanding Teaching Explorations ask teachers to apply chapter content to teaching situations *Beyond Grammar Language Power and the Classroom* is intended for undergraduate and master s level courses that address literacy education linguistics and issues of language and culture

Jpse The Society for the Philosophical Study of Education, 2012-02-08 The essays in this first volume of *The Journal for the Philosophical Study of Education* follow an unusual flow between the personal and social touching on the experience of teaching and the perspectives of recognized philosophers of education and leading to broader considerations of policy discourse in education and educational administration Thus we go from personal explorations of value and meaning Fontaine to studies of the effects of social policy and sociopolitical concerns on education Howell Loftin to explorations of teaching A Johnston O Neill to the significance of the works of particular philosophers and or thinkers G Johnston Kim to international educational discourse and administrative practice Friedrich and Lee Bradbury Halbur and Halbur

Deaf Empowerment Katherine A. Jankowski, 1997 This book makes a strong case for distinguishing the Deaf movement from social movements occurring in the disability community It should be read by anyone who wants to know why this political and ideological split between deaf people and people with other types of physical impairments is occurring

Intersections of Peace and Language Studies Erin A. Mikulec, Sai Bhatawadekar, Cuhullan Tsuyoshi McGivern, Paul Chamness Iida, 2022-01-01 *Readings in Language Studies Volume 7 Intersections of Peace and Language Studies* features international contributions

that represent state of the field reviews multi disciplinary perspectives theory driven syntheses of current scholarship reports of new empirical research reflections on pedagogical practices and critical discussions of major topics centered on the intersection of language studies and peace Consistent with the mission of ISLS the collection of 13 chapters in this volume seeks to bridge these arbitrary disciplinary territories and provide a forum for both theoretical and empirical research from existing and emergent research methodologies for exploring the relationships among language power discourses and social practices Language and peace are in themselves incredibly complex concepts They are simultaneously interpersonal in their function and effect as well as intimately personal in their experience From everyday communication to the pragmatics of world diplomacy from embracing a foreign culture to embarking upon a journey of self awareness language and peace are inseparably intertwined To reveal their myriad interconnections in local and global contexts is a limitless task nevertheless we attempt to bring you a few glimpses from far corners of the world It is also a linguistic and postcolonial mission of this society and the book series to publish the voices of non native speakers of English Decolonizing the academic enterprise is part of our commitment to diversity Starting Points in Critical Language Pedagogy Graham V. Crookes, Arman

Abednia, 2022-01-01 Critical language pedagogy also sometimes referred to as critical ELT where English is the primary language involved has a literature in which theoretical and specialized work has outstripped more practically oriented material Nevertheless even practically oriented publications in this area tend to address the experienced well resourced teacher as opposed to those beginning in this area or those without much professional support With a view to helping prepare second language teachers to begin to engage with critical language pedagogy the authors of this book start from areas of conventional L2 curriculum that teachers naturally use Each chapter presents material pertinent to areas of language language teaching and course delivery starting from a fairly conventional perspective It then attempts to explain how this conception can be extended drawing upon the ideas of critical language pedagogy and teachers experiences The authors experience of working with teachers who work under different circumstances in teacher education courses and workshops form key elements of the book Teachers voices are also given adequate space so as to provide a comprehensive picture and situated understanding of critical language pedagogy Dialogical engagement with the initial perspectives of beginning critical language pedagogy teachers who do not necessarily have a fully worked out critical philosophy of teaching or those who wish to practice critical ELT is another feature of the book Finally to strengthen the practical orientation of the book teaching strategies and extracts of materials and lesson plans are also provided
