Expression Loom Design Studio Instruction:

The Book of Looms Eric Broudy, 2021-09-29 A heavily illustrated classic on the evolution of the handloom The handloom often no more than a bundle of sticks and a few lengths of cordage has been known to almost all cultures for thousands of years Eric Broudy places the wide variety of handlooms in their historical context What influenced their development How did they travel from one geographic area to another Were they invented independently by different cultures How have modern cultures improved on ancient weaving skills and methods Broudy shows how virtually every culture has woven on handlooms He highlights the incredible technical achievement of early cultures that created magnificent textiles with the crudest of tools and demonstrates that modern technology has done nothing to surpass their skill or inventiveness
