Fire Games (Pyforial Mage Trilogy B. T. Narro,2014-09-01 Neeko's quiet evening is interrupted when a fire mage of the king's army comes to his door demanding hospitality for the night She says war is beginning but this becomes the least of Neeko's concerns when an altercation erupts between his drunken father and the fire mage resulting in his home burned to the ground with his father buried beneath the rubble His only justice A redemption scroll payment for damages if Neeko can bring it to the king's master of coin in the capital before it expires With the war of two kingdoms clashing amid towns the trek will be perilous but having a hidden talent for magic Neeko's not deterred Especially so when he learns his recently acquired companion possessing her own redemption scroll knows the land better than anyone She may have a few oddities like singing her thoughts and stashing weapons in occupied graves but Neeko would put up with worse to get to the capital in time Now if only Neeko knew what really awaited at the capital **Fire Magic** Stacey Keystone,2022-10-22 Lauren Cooper has a secret A secret that puts her life at risk by its very existence To survive she needs to learn magic Her very existence depends on it To keep herself safe she needs to blend in not stand out at her new high school However with the conflict with her classmates and Bron Delaney interfering will she Calling on Fire Stephanie Beavers,2014-11-29 For centuries the evil mage Moloch carved out a swathe of destruction creative in his use of torture oppression and outright slaughter Families towns and even whole kingdoms fell before him But in one village one boy survived Esset's adopted brother Toman is that boy Scarred by the tragedy the two boys swore to stomp out evil when they grew up Now adults they travel the world seeking out evil wherever it may lurk Esset can summon fiery creatures from beyond their world and Toman can make inanimate objects come to life Together they look forward to the day that they're strong enough to take on Moloch himself With every battle they grow stronger but Moloch's reach is greater than they imagined and his minions lurk in the most unexpected places If Toman and Esset can only barely survive the battles against Moloch's creatures how can they hope to stand against the mage himself Will they be strong enough to defeat him or will Esset have to choose between his promise to end evil and his own life **The Fire in the Forging** Tamora Pierce,2002-03-15 The Fire in the Forging is the third book in the Circle of Magic series The main characters are Tris Sandry Daja and Briar They love living in the Winding Circle and will do anything to protect it even unleashing their untrained magic on the world Games of Fire Trilogy Autumn M. Birt,2018-01-15 Success will destroy elemental magic Failure condemns this world and the next Pick up the award winning series nominated for Best Book of 2017 and winner of Best Worldbuilding and enter a story described as Brilliantly contrived and beautifully executed it reminds us why we love the genre and This was pure magic and Epic Fantasy at its very best Six months after a tragic war the world of Myrrah has found peace But many of the heroes have not When Zhao's reluctant homecoming sparks a battle over the fate of Elementals among his people he calls on his friends for help only to find they are busy with new problems of their own And one has the potential to end all magic For nearly destroying the world in an ancient

war the Ashanti were cursed by the Goddess Mhyrah with lifespans of less than a decade To regain normal lives for his people Beh kana the Ashanti King will defy the traditions handed down since the dawn of time even if that means rekindling an ancient feud one that nearly destroyed the world before it fully began His quest to conquer death and gain control of the source of all elemental magic the spirit realm threatens to burn the world to ashes Lavinia did not seek to be named Guardian of the Spheres when she touched each to gain control of elemental power But now that choice has propelled her to being the key to stopping the Ashanti She controls the gates that allow magic into the world and she must close them to prevent the Ashanti from crossing into the spirit realm and gaining power beyond imagination enough to enslave or destroy the world they once sought to rule But with the closure of each gate an elemental power is lost and those who stand against the Ashanti are less able to fight a threat that seeks control over life and death Welcome back to the world of Myrrah full of elemental magic and epic fantasy adventure The fate of the world hangs in the balance and the sacrifice to save it might be elemental magic Discover this exhilarating tale that has received praise such as It is the sort of read that reminds us how great fantasy can be and Strong characters and a beautiful world hold up a fine story We love Ms Birt s work we only wish we d found her sooner The Games of Fire Trilogy bundle contains all three books of the series Spark of Defiance Fantasia Reviews 2017 nominated book of the Year Gates of Fire Earth and A New Goddess PLUS the Untold Stories of the World of Myrrah that contains novellas and short stories set in the same world and often featuring familiar characters

Lord of Fire PL. Nunn,2010 Book 1 of the Silver Mage Series Dante Epherian The infamous Silver Mage finds himself on the run with his former brethren none the wiser and with ancient wards binding his awesome power he has to rely on the one girl who believes in him and mundane methods of finding freedom But the man who shackled him has other plans for the Silver Mage and the people Dante values

Gates of Fire & Earth Autumn M. Birt,2017-04-12 Fantasia Reviews 2017 Book of the Year NomineeSuccess will destroy elemental magic Failure condemns this world and the next Named Guardian of the Elemental Spheres Lavinia seeks the lost gates to the spirit realm and their ancient guardians But some of the guardians have left their duties and those that have stayed may prove as dangerous as her enemy whose wrath threatens the world To end an ancient punishment inflicted on them by the Goddess for their role in a forgotten war the Ashanti will conquer this world and that of spirit to gain power over death Lavinia must close the gates to stop the Ashanti even though by doing so she risks ending all elemental powers And the act has consequences greater than the ancient guardians imagine But one gate has a new guardian as well as the old and the last time he saw Lavinia he tried to kill her before she stole his power And he s been seeking revenge Continue this epic fantasy journey begun in book 1 of the Games of Fire trilogy Spark of Defiance Friendships are tested as what is sacrificed is more than some are willing to give Welcome back to the world of Myrrah and meet the Elementals of Fire Earth Water Air and Spirit who shape it Pick up book 2 of the Games of Fire trilogy the Gates of Fire Earth today Q AShould you read the Rise of the Fifth Order trilogy before reading Games of Fire You should definitely

read Spark of Defiance book 1 of Games of Fire before reading the Gates of Fire Earth I did my best to lightly explain some of the pertinent events from the first trilogy the Rise of the Fifth Order in this new epic fantasy trilogy Games of Fire so that you could start with Spark of Defiance But a few readers have said they got a lot more depth for having read the Rise of the Fifth Order first They suggest you start there It is certainly a great introduction to the world of Myrrah and the characters by starting with Born of Water which is free to pick up But I won't say you absolutely have to Is Games of Fire a continuation of the Rise of the Fifth Order trilogy The Games of Fire and the Rise of the Fifth Order trilogies are related in that they are set in the same world of Myrrah utilize many of the same characters and are full of elemental magic Games of Fire begins with Spark of Defiance which is set six months after the final book Spirit of Life of the Rise of the Fifth Order trilogy ends New problems have developed so the Games of Fire story line is stand alone trilogy with the same heroes from the first story However a few events that happened in the Rise of the Fifth Order are the cause of the new challenges rising in Games of Fire So the two series are linked but each consists of a different set of adventures and issues to solve I've only ever heard of four elements but these books have five even though it is based on elemental magic This is true Five elements air earth water fire and spirit is actually an eastern philosophy I wish I could say I invented it Lol The difference really comes with the element of earth Only dead things and soil can be controlled by an Earth Elemental while plants or anything living like the ability to change into another living creature is something that a Spirit Elemental controls Spirit Elementals are also able to control the other four elements at least to some degree Part of the discovery in the Rise of the Fifth Order series is that the ability to control one element might indicate latent gifts in any However it is always difficult to learn to control the element opposing your own So a Water Elemental might learn to control fire but not easily AND a few of the heroes have discovered that if you can learn to control fire earth air and water then no matter what element you are born with you can unlock some of the gifts of spirit
