Consumer Product Innovation and Sustainable Design Robin Roy, 2015-10-23 Consumer Product Innovation and Sustainable Design follows the innovation and evolution of consumer products from vacuum cleaners to mobile phones from their original inventions to the present day. It discusses how environmental concerns and legislation have influenced their design and the profound effects these products have had on society and culture. This book also uses the lessons from the successes and failures of examples of these consumer products to draw out practical guidelines for designers, engineers, marketers and managers on how to become more effective at product development, innovation and designing for environmental sustainability.

Banker's Guide to New Small Business Finance Charles H. Green, 2014-07-31 Detailed actionable guidance for expanding your revenue in the face of a new virtual market. Written by industry authority Charles H. Green, *Banker's Guide to New Small Business Finance* explains how a financial bust from one perfect storm, the real estate bubble and the liquidity collapse in capital markets, is leading to a boom in the market for innovative lenders that advance funds to small business owners for growth. In the book, Green skillfully reveals how the early lending pioneers capitalized on this emerging market along with advancements in technology to reshape small company funding. Through a discussion of the developing field of crowdfunding and the cottage industry that is quickly rising around the ability to sell business equity via the Internet, *Banker's Guide to New Small Business Finance* covers how small businesses are funded, capital market disruptions, the paradigm shift created by Google, Amazon and Facebook, private equity in search of ROI, lenders, funders and places to find money, digital lenders, non-traditional funding, digital capital brokers and much more. Covers distinctive ideas that are challenging bank domination of the small lending marketplace. Provides insight into how each lender works as well as their application, grid pricing model and management outlook. Offers suggestions on how to engage or compete with each entity as well as contact information to call them directly. Includes a companion website with online tools and supplemental materials to enhance key concepts discussed in the book. If you're a small business financing professional, *Banker's Guide to New Small Business Finance* gives you authoritative advice on everything you need to adapt and thrive in this rapidly growing business environment.
