history but also the perception of it Born in Alexandria Egypt of second generation British parents Hobsbawm was orphaned
at age fourteen in 1931 Living with an uncle in Berlin he experienced the full force of world economic depression and in the
charged reaction to it in Germany was forced to choose between Nazism and Communism which was no choice at all
Hobsbawm s lifelong allegiance to Communism inspired his pioneering work in social history particularly the trilogy for
which he is most famous The Age of Revolution The Age of Capital and The Age of Empire covering what he termed the long
nineteenth century in Europe Selling in the millions of copies these held sway among generations of readers some of whom
went on to have prominent careers in politics and business In this comprehensive biography of Hobsbawm acclaimed
historian Richard Evans author of The Third Reich Trilogy among other works offers both a living portrait and vital insight
into one of the most influential intellectual figures of the twentieth century Using exclusive and unrestricted access to the

unpublished material Evans places Hobsbawm's writings within their historical and political context Hobsbawm's Marxism made him a controversial figure but also uniquely and universally someone who commanded respect even among those who did not share or who even outright rejected his political beliefs Eric Hobsbawm A Life in History gives us one of the 20th century's most colorful and intellectually compelling figures It is an intellectual life of the century itself *Course Examinations for the General College, University of Minnesota, Year 1940-41* University of Minnesota.
