**The Visible Ghost** Dante P. Chelossi Jr., 2017-11-21 The Visible Ghost tells a tale of a scientist who has an accident inside his laboratory and dies To his astonishment and that of everyone else around him he becomes a ghost who is visible for all to see with their eyes all the time He does not have the ability to become invisible Another fascinating detail about him in his ghost form is

that his appearance is 100 percent solid like any living being around him If someone were to stand next to him they could have a conversation with him and not in any way ever suspect that he is in fact a ghost because of how solid in form he appears to be Being a scientist this ghost is extremely intrigued even in death about being a ghost He decides to investigate and document everything possible about being a ghost for others to understand before he disappears which can be at any moment At the very least he has proven to the world that ghosts do in fact exist     *Notes, questions, and answers on the Gospels for the Christian year [signed J.F.]*. John Flint (inspector of schools.),1863     **Mysteries and Science: Exploring Aliens, Ghosts, Monsters, the end of the world and other weird things** Robert Carroll,2012-12-05 Mysteries and Science is for kids 9 and up It takes a look at weird things from abracadabra to zombies What does science have to say about things like astrology Bigfoot dowsing ESP ghosts and monsters These and other similar topics are covered here including predictions of the end of the world palm reading and vampires In all Science and Mysteries takes you on a journey through fifty chapters Some chapters deal with weird things some deal with how scientists think and what kinds of tools they use to investigate things We may not always agree with scientists but they make us think And thinking is always a good thing
