

Saying Goodbye to a Pastor

Poems

*As you depart this place of grace
We offer you this parting phrase
May God's own hand guide all your ways
And keep you safe all of your days.*

*You've been a light in darkest night
And shown us all the path of right
And though we'll miss you when you're gone
Your spirit will still linger on.*

Ten Commandments for Pastors Leaving a Congregation Lawrence W. Farris, 2006 Pastoral transitions can be fraught with pitfalls yet there is advice that can help ministers and congregations avoid those dangers Lawrence Farris a pastor who himself has left three churches here gives ten wise thoughtful commandments for shepherds leaving their flock Far from heavy handed dictums these commandments are more gospel than law laying out helpful strategies in such areas as recognizing when to depart patching broken relationships and enabling the next pastor to make a clean start While many may dream of a comfortable long term pastorate today s transient congregational realities make the wisdom in this book relevant for pastors in churches big and small liberal moderate and conservative Perfect for pastors soon to depart and for those happy to stay put for now Ten Commandments for Pastors Leaving a Congregation provides welcome guidance to both pastors and parishioners facing this hopeful and challenging transition **Pastoral Protocol** Charles Agyin-Asare, 2004-04

American Anti-Pastoral Thomas Gustafson, 2024-06-14 One of the best known novels taking place in New Jersey Philip Roth s 1997 American Pastoral uses the fictional hamlet of Old Rimrock NJ as a microcosm for a nation in crisis during the cultural upheavals of the 1960s 70s Critics have called Old Rimrock mythic but it is based on a very real place the small Morris county town of Brookside New Jersey American Anti Pastoral reads the events in Roth s novel in relation to the history of Brookside and its region While Roth s protagonist Seymour Swede Levov initially views Old Rimrock as an idyllic paradise within the Garden State its real world counterpart has a more complex past in its origins as a small industrial village as well as a site for the politics of exclusionary zoning and a 1960s anti war protest at its celebrated 4th of July parade Literary historian and Brookside native Thomas Gustafson casts Roth s canonical novel in a fresh light as he studies both Old Rimrock in comparison to Brookside and the novel in relationship to NJ literature making a case for it as the Great New Jersey novel For Roth fans and history buffs alike American Anti Pastoral peels back the myths about the bucolic Garden State countryside to reveal deep fissures along the fault lines of race and religion in American democracy **The Pastoral Counseling**
