Well, they call it encouraging but in his mind they're meddling. He plans to take down the online dating profile they set up for him just as soon as he can. Until he receives a message from a hot blonde in California. Shayna's lived in Summer Lake her whole life. She doesn't expect that online dating will lead to her finding the man of her dreams but she's already dipped a toe or two in the dating pool at the lake and it could use a good shot of chlorine. When a well-meaning friend sends a message from her account to a hot cowboy in Montana, things might be looking up. Exchanging messages with Ty is great but it is crazy to think that they might get together in the real world.

Ty and Shayna **Walking on Sunshine** SJ McCoy, 2024-01-26

Get ready to fall in love with a heartwarming later in life romance in SJ McCoy's *Walking on Sunshine*, the eleventh book in the beloved Summer Lake Silver series. Damon, a former Marine, is struggling after a difficult divorce but he's found solace in his new home in Summer Lake. He's taken on two jobs to keep himself busy: working as a personal trainer during the day and bartending at Taryn's restaurant at night. Jo has recently retired from her job as a portfolio manager and moved to Four Mile Creek to start a new chapter in her life. She's done with her stressful career and with her stressful marriage to a ruthlessly successful fund manager. When Damon and Jo run into each other around town, they feel an instant connection. However, they don't believe the other could possibly be interested in them. Damon sees a high-powered businesswoman, and Jo sees a free spirit who doesn't have time for a woman in his life and who wouldn't choose her if he did. Fate brings them together when Jo hires a personal trainer and is shocked to find that it's Damon. As they work out together, they quickly become close friends. As they navigate their feelings for each other, they must also face the challenges of Damon's not-so-ex-wife and Jo's grown kids who desperately want to reunite their parents. The magic of Summer Lake is strong with the support of good friends and the idyllic setting, but these two will have to navigate their pasts before they can hope to find happiness together in the present. With its delightful cast of characters, feel-good storyline, and charming small-town setting, *Walking on Sunshine* is the perfect read for anyone who believes in the power of love and the joy of finding it later in life. Sit back, relax, and let the magic of Summer Lake sweep you away.

Summer Lake Silver romances find happily ever afters for those who remember being thirty-something vaguely. Just because a few decades or more have skipped by since you were in your twenties, it doesn't mean you can't find love. Does it? Featuring couples in their fifties and older, SJ McCoy's seasoned romance series proves you don't have to pack your heart away with the old photos. His last relationship, if you could even call it that, has come to an abrupt end when he meets Alexis. She's just moved to the lake after extricating herself from a not-so-great relationship of her own. Neither of them is particularly looking for love, but they're smart enough to recognize it when it lands in their lap. He's former Special Forces; she's a former spook. They each think that they're set to live out a solitary retirement, but life has other plans for them. With a little help from canine matchmaker Echo, they're about to embark on a journey that neither of them saw coming. Pick up your copy of this heartwarming romance today and enjoy the ride as these two strong individuals learn not only how to become a couple but also how to build a family. If I Fall S. J. McCoy, 2018-12-14. He has no intention of falling for anyone; he's duty-bound. Sully, Special Agent James Sullivan, to give him his full title, is on his way to Hope Falls. He's going to visit an old friend, but he couldn't tell you why. If pushed, he'd say that he had some time off after his boss and friend died, and he didn't know what else to do with himself. He probably wouldn't tell you that Patrick's death has left him wondering if there shouldn't be more to life than his FBI career. She has no intention of falling for anyone; she's carefree. Jess Archer lives in her motorhome and travels the country as a freelance photographer. She can wander as she pleases, and she loves that. There may be no one in the world who knows or cares where she is from one day to the next, but that's a good thing, not a sad thing. Or so she tells herself. Still, she's thrilled at the chance to visit someone who does care about her, her old friend Tessa. When Sully and Jess meet, sparks fly, but will the magic of Hope Falls be enough to bring together two people who have no intention of falling in love? This book is intended for readers age 18. WARNING: This title was originally published in Melanie Shawn's Hope Falls Kindle World. Elements of the world, including characters, are used with permission.
