## **Leo Taxil The Amusing Bible French Version:**

**The Amusing Bible** Arthur Tovmasyan, 2015-08-14 Another consideration which just logically unfolds is that apparently God had an ulterior motive and he was eventually glad for the fall of man Basically the man had the right to tell him My dear Daddy God If I am not mistaken the good is what you like and what is morally good and the bad on the contrary is all that is bad and all that you do not like Is it like that or not That is right my son would have answered the Creator In this case could continue Adam let me know what is wrong so that I could avoid it Otherwise why is this tree here if I cannot touch it However instead of God the priests concealing themselves under his name give answers They say God put our newborn humanity to a test God wanted to see if Adam would obey when he requires minor hardships from him However this statement is easily disproved According to theological imaginations God is all knowing and he knows the future Therefore he should have foreseen what would happen because nothing is done without his will This means that God himself wanted the people whom he created to sin There is no doubt in that

**Wozzeck** Yuri Izdryk, 2006 Izdryk's Wozzeck is one of the masterpieces of contemporary Ukrainian literature and a cult classic for the Ukrainian 1990s generation Discerning at the dusk of romanticism the thickening gloom of an ever more godless age in 1836 Georg Buchner dramatized the story of the hapless and homicidal barber Woyzeck On the ruins of an old Europe destroyed by the First World War Alban Berg gave Buchner's hero voice in the shrieks and moans of his atonal opera Wozzeck In the 1990s Yuri Izdryk in turn has made Wozzeck the Everyman of the turn of the third millennium Anguished and disoriented betrayed by love and the frailties of his body Izdryk's Wozzeck is a victim of the phantoms of his mind and of the grotesque society that excludes him In a world where nothing is certain but pain he gropes vainly for an Other and for the solaces of knowledge and belief Fortunately for the reader his tragedy and his comedy play out in a tour de force of a novel that gleams with dark satire and revels in ingenious metaphors for the modern human condition
