

PHYSICAL GEOGRAPHY 'A' LEVEL NOTES – 9156/1

SECTION A PRACTICALS – MAPWORK

Candidates choose **one** question from this section out of two

-one question is on mapwork the other on surveys. We focus on mapwork only

This is a topic which deals with map-work techniques. Candidates may be required to draw either a sketch-map, or a cross section or a sketch-section.

SKETCH-MAP

-only natural features are to be drawn i.e. relief and/or drainage

-a boundary has to be drawn indicating where your sketch-map ends

- position your features correctly

-it is advised that you start drawing the major rivers & their tributaries then it will be easy to position your relief features properly

-draw the shape of the relief feature by looking at the outside contour

-shade each & every relief feature different from another feature if time permits but this does not matter

-label inside the shape the correct name of the relief feature

-lowlands are not shaded but they are labelled within the sketch map where they occur

-contour lines are not supposed to be drawn

-direction of flow of major rivers and their tributaries is to be indicated correctly & label their names

-all drainage patterns have to be shown within the sketch map exactly where they are found.

These have to be well demarcated on the sketch map

-all drainage features should also be indicated & labelled in the sketch map

Cross-section/Relief section

This shows the land surface as seen from a vertical position. Both natural & human features are drawn

Steps

- 1) Note the end points of the cross section & join the lines with a straight, fine pencil using a ruler.
- 2) Place a straight edged piece of paper along the pencil line & mark the positions where contour lines pass the edge of paper, roads, railway lines footpaths, powerlines etc & also mark the two end points.
- 3) Find the height of each & every contour line on the edged paper & note the highest & lowest altitudes.
- 4) On a sheet of paper or graph paper draw a framework showing the end points on the edged paper.
