

Civics and Economics EOC Exam Review Packet

Directions: This packet contains a combination of mind maps and practice questions. You need to complete the packet using your knowledge, notes, review reading packets, textbook and other resources. This is due when you take the Civics and Economic Exam in June. No late packets will be accepted and the packet will count as two test grades. Depending on time you may have some class time to work on it, but it is your responsibility to complete the packet regardless of any amount of class time. Copying is not an option, you can work together—meaning that you and a partner work on the material together not divide and copy. As you should take the EOC seriously, you should take this packet seriously. This packet contains all the major topics that will appear on the exam and is designed for your success on the exam.

Grading: You will be graded on completeness, accuracy, thoroughness, quality, handing it in on time, and presentation. This packet is due at the EOC and will not be taken late!!!!!!!!!!!!!! There is no point to take it after the exam—it is meant to prepare you for it!!!! It will count as two test grades—meaning that you can greatly help you 4th quarter grade by doing an excellent job on this packet.

Final Note: Complaining only wastes time!!!!!! I wouldn't have taken the time to create this if I wasn't sure that completing it and studying it would lead to your success!!!!!!
