

'Reckless and reprehensible': US supreme court deals blow to gun control campaign

Continued from page 1

prohibited the public carry of commonly used firearms for personal defence. Nor have they generally required law-abiding, responsible citizens to 'demonstrate a special need for self-protection distinguishable from that of the general community' to carry arms in public."

The New York law, Thomas wrote, also violated the 14th amendment, which made second amendment rights applicable to the states.

Roberts pointed to the longevity of New York gun laws and to past supreme court acceptance of the need to regulate gun ownership.

Roberts added: "As the late [conservative] justice [Antonin] Scalia recognised, the second amendment is not absolute. For centuries, states have regulated who may purchase or possess weapons, the types of weapons they may use and the places they may carry those weapons. The courts have upheld these regulations."

"I call on Americans across the country to make their voices heard on gun safety. Lives are on the line."

The ruling has profound implications for the safety and conduct of up to 81 million people in New York and seven other states plus Washington DC with similar "proper cause" laws. They include heavily populated states, such as California and New

rife shot and killed 10 people in a racist attack on a supermarket in a majority black neighbourhood in Buffalo, New York.

Two days later, another 17-year-old broke into an elementary school in

Urbair, Texas, and killed 19 children and two adults before being shot dead by law enforcement.

Democratic and Republican senators have since agreed a framework for gun reform. Yesterday Mr

McConnell, the Republican leader of the Senate, said the proposals do "lay one finger on the second amendment" and would make the to sales. But any gun legislation is likely to face strong headwinds, a potential to blow all the way court McConnell helped p conservatives.

In his dissent to the New York law, Stephen Breyer, a liberal, wrote: "In 200 Americans were killed. Since the start of this year, 277 reported more than an average of more than

"Gun violence has become a major vehicle for the cause of death among adolescents. Many of the violence just does laws that limit, or may purchase, can

Gun Control in the United States Gregg Lee Carter, 2017-01-23 This up to date second edition work will stimulate and clarify readers thinking on the key issues surrounding guns in the United States especially on the debate over gun control Most public debate and discussion about guns in U S society is rarely guided by research not surprising as most individuals have a personal opinion on this highly inflammatory topic based on their upbringing or personal experiences Additionally most research about gun use in America is confusing and contradictory making it difficult for citizens to gain much from their attempts to investigate the topic objectively This book offers concise understandable coverage of all aspects of the issue including incidence of gun violence gun control gun rights government regulation legislation and court decisions gun organizations for gun control and for gun rights gun enthusiast subcultures for example hunters target shooters and collectors and U S attitudes toward guns Many of the covered topics are placed in historical and cross cultural perspective The new edition of *Gun Control in the United States A Reference Handbook* enables the reader to navigate and interpret the research to become sufficiently educated on any specific aspect of the gun issue to make an informed decision for example whether to support stricter or more lenient gun control whether to become a gun owner whether to support a particular political party or candidate or whether to develop or to refine a particular philosophy regarding guns Other aspects of the contemporary gun debate that are addressed include whether the Supreme Court's ruling that the Second Amendment guarantees an individual right will withstand future challenges whether the strong gun regulations used in Europe would be effective and applicable in reducing gun violence in the United States and whether the diversity explosion created by the high rate of immigration from countries where guns are strictly controlled will soon change the politics of the U S gun control debate

Gun Laws and the Need for Self-defense United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime, 1996 *Targeting Guns* Gary Kleck, 2017-07-05 This new paperback comprehensively reviews the research evidence on the links between guns violence and gun control and reports results of the author's own research as well In *Targeting Guns* Kleck follows the line of argument and careful statistical inference of his earlier prizewinning volume *Point Blank* while updating the literature reviews and statistical information and adding two chapters

The War on Guns John R. Lott, 2016-08-01 When it comes to the gun control debate there are two kinds of data data that's accurate and data that left wing billionaires liberal politicians and media want you to believe is accurate In *The War on Guns Arming Yourself Against Gun Control Lies* nationally renowned economist John R Lott Jr turns a skeptical eye to well funded anti gun studies and stories that perpetuate false statistics to frighten Americans into giving up their guns In this his latest and most important book *The War on Guns* Lott offers the most thorough debunking yet of the so called facts data and arguments of

anti gun advocates exposing how they have repeatedly twisted or ignored the real evidence the evidence that of course refutes them on every point In The War on Guns you ll learn Why gun licenses and background checks don t stop crime How gun free zones actually attract mass shooters Why Stand Your Ground laws are some of the best crime deterrents we have Women now hold over a quarter of concealed handgun permits How big money liberal foundations and the federal government are pouring hundreds of millions of dollars into public health studies the sole purpose of which is to manufacture false data against guns How media bias and ignorance skew the gun debate and why it will get worse From 1950 2010 not a single mass public shooting occurred in an area where general civilians are allowed to carry guns In Guns We Trust William J. Kole, 2015-10-14 In this unsettling investigation into white evangelicals fusion of the gospel and guns veteran journalist William J Kole exposes how some Christians are standing in the way of reasonable restrictions on firearms and how it makes us all less safe On the evening that the bass player on his worship team casually showed him his handgun the author s world shifted In that moment Kole who was the AP s New England bureau chief when a gunman massacred twenty six people at Sandy Hook Elementary knew he had to figure out what was going on Why were white evangelicals more likely than other Americans to own a weapon What made them treat the Second Amendment as if it were God breathed And how did his own faith rooted in Jesus s call to turn the other cheek get hijacked In the pages of In Guns We Trust Kole looks at the unholy alliance between white evangelicals guns and politics Writing in the tradition of Tim Alberta and Kristin Kobes du Mez he takes us into sanctuaries where worshippers raise hands and pack heat to a rural church that does outreach through target practice with assault rifles and into the lucrative gun making industry in which evangelicals play an outsized role He introduces us to global Christians who can t imagine owning firearms and dissidents in the US who are working for change including activists beating guns into garden tools and nuns who bought company stock so they could sue a gun manufacturer Our nation is awash in more guns than citizens With meticulous research humanizing interviews and immersive narrative Kole pulls back the curtain on the locked and loaded Christianity that got us here Ignoring gun toting believers Kole argues means the violence will continue But when intentional conversation and faithful resistance bear fruit peace may yet prevail

The Second Amendment and the Fight Over Guns** Hana Bajramovic, 2020-09-22 Discover the truth about the Second Amendment the NRA and the United States centuries long fight over guns in this first of its kind book for middle grade readers A compelling clear analysis of one of our country s oldest dilemmas how to balance gun rights with public safety It tells the full and true story of the Second Amendment and points to a way to bring sanity to our gun laws A remarkable primer for all ages Michael Waldman author of The Second Amendment A Biography For the majority of the United States history the right to own a gun belonged to a well regulated militia That

changed in 2008 with the historic District of Columbia v Heller case which ruled that the Second Amendment protected an individual's right. In the years since the debate over gun legislation has reached a crescendo and the issue grows ever relevant to children across America with an estimated three million exposed to shootings every year. From metal detectors to see through backpacks to shooting drills kids face daily reminders of the threat of guns. Hana Bajramovic's *Whose Right Is It? The Second Amendment and the Fight Over Guns* reveals how a once obscure amendment became the focus of daily heated debate. Filled with historical photos and informative graphics the book will show young readers how gun legislation has always been a part of American history and how money power and systemic racism have long dictated our ability to own guns. A Junior Library Guild Selection Hana Bajramovic provides readers with a compelling overview on the history of guns in the United States and the changing conflicting interpretations of the Second Amendment certain to stimulate conversation and thinking on the part of future generations. Award winning author Doreen Rappaport **Private Guns, Public Health, New Ed.** David Hemenway, 2017-08-07 A new edition of a classic the first complete picture of the public health approach to gun violence **Arguing with Idiots** Glenn Beck, Kevin Balfe, 2009-09-22 Glenn Beck the New York Times bestselling author of *The Great Reset* provides the ultimate handbook for tackling and winning life's most important arguments. FUNNY FRIGHTENING TRUE The #1 New York Times bestseller that gives you the right answers when idiots leave you speechless. It happens to all of us. You're minding your own business when some idiot informs you that guns are evil the Prius will save the planet or the rich have to finally start paying their fair share of taxes. Just go away you think to yourself but they only get more obnoxious. Your heart rate quickens. You start to sweat. But never fear for Glenn Beck has stumbled upon the secret formula to winning arguments against people with big mouths and small minds knowing the facts. And this book is full of them. The next time your Idiot Friends tell you how gun control prevents gun violence you'll tell them all about England's handgun ban see page 53. When they insist that we should copy the UK's health care system you'll recount the horrifying facts you read on page 244. And the next time you hear how produce prices will skyrocket without illegal workers you'll have the perfect rebuttal from page 139. Armed with the ultimate weapon the truth you can now tolerate and who knows maybe even enjoy your encounters with idiots everywhere. Idiots can't be identified through voting records look instead for people who hide behind stereotypes embrace partisanship and believe that bumper sticker slogans are a substitute for common sense. Dialogues on Gun Control David DeGrazia, 2023-04-03 What happens when two intelligent American college students with different attitudes about guns launch into a careful exploration of the ethics of gun policy? What might a European exchange student add to the mix? All three characters in this book are fictional the creation of author David DeGrazia's imagination. But their vigorous respectful conversations over six meetings well informed by the latest empirical data and the best available philosophical arguments shed needed light on the reality of guns in the U.S. today. These dialogues introduce students professional academics and others to the American experience with gun violence and gun policy.

articulating ethical arguments supporting and opposing substantial gun control and specific possibilities for reform They also demonstrate how those who initially disagree about the place of guns in American society can communicate constructively and agree on many ideas Dialogue 1 distinguishes the legal rights to private gun ownership from the ethics of gun policy and illustrates how the U S is an outlier with respect to gun violence gun ownership and gun politics Dialogue 2 explores the overall social consequences of high rates of gun ownership and minimal regulation and enforcement Then turning to moral rights Dialogue 3 probes the subtle relationships among a right to self defense its possible foundation s and alleged gun rights Dialogue 4 turns to appeals to various liberties as possible bases for gun rights Next Dialogue 5 examines the possibility that various other moral rights such as a right to a reasonably safe environment can illuminate gun policy ethics Finally Dialogue 6 concludes with a fairly detailed exploration of the shape of morally defensible gun policy in the United States Key features Dialogue format provides an engaging and accessible exchange throughout the book Depth of the ethical analysis refutes those who believe the issues pertaining to guns are simple Up to date references and examples make the book more current than the competition

The Top Books of the Year Gun Control Journal Articles The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Gun Control Journal Articles : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
