Bailey, 2010-01 , *GYPSEY FOLK TALES BOOK ONE* Various, 2009-06 This book is a treasure chest of classic Gypsy Folklore and makes fascinating reading for those interested in folklore in general but especially for those interested in the Roma people Francis Hindes Groom collated and prepared this collection making only few changes and remaining true to the original stories so to let the written story enchant us as if it were being presented in the vernacular A percentage of the profit from the sale of this book you will be donated to charities schools or special causes The Story of the Gypsies Konrad Bercovici, 1928 **A Book of Gypsy Folk-tales** Dora Esther Yates, 1948 **The Zincali: An Account of the Gypsies of Spain** George Borrow, 2022-05-29 In *The Zincali* An Account of the Gypsies of Spain George Borrow offers a meticulous and deeply intimate portrait of the Roma community in the 19th century Borrow masterfully marries ethnography with travel writing narrating his experiences and observations with the linguistic finesse of a novelist The book delves into the multifaceted culture of the Zincali from their language to their customs bridging the gap between outsiders and a frequently misunderstood society Set within the literary context of Victorian travelogues Borrow s work stands out for its personal touch and unwavering attention to detail reflecting a profound engagement with his subjects George Borrow an English author and linguistic virtuoso became fascinated with the Gypsies during his time in Spain as an agent of the British and Foreign Bible Society His linguistic prowess allowed him to learn Romani granting him unique access to the guarded world of the Zincali His incarceration for his missionary work further underscored his commitment to cultural immersion and understanding culminating in this illuminating chronicle The book is informed not only by Borrow s advocacy for religious dissemination but also by his genuine interest in the lives of the people he lived among and learned from *The Zincali* is highly recommended for readers interested in Roma culture historical travel literature or the broader tapestry of Spain s cultural mosaic Borrow s work transcends its time as an illuminating and compassionate study of a marginalized community Scholars and lay readers alike will find in *The Zincali* a resonant narrative that continues to inform our understanding of cultural

diversity and the timeless human quest for connection and identity The Zincali - an Account of the Gypsies of Spain
George Borrow, 2022-09-16 Reproduction of the original **Star of Gypsies** Robert Silverberg, 1988 **Flying Gypsies.**
The Chronicle of a 10,000 Mile Air Vagabondage Vicomtesse Violette de Sibour (née Selfridge), 1930 The Gypsies Jan
Yours, 1967 **Gypsy Folktales** Diane Tong, 1989 Stretching back many centuries to its origins in India the Gypsy oral
tradition has accumulated a vast diverse treasury of folktales The eighty tales in this volume are gathered from thirty one
different countries Each tale has a headnote elucidating the tale s background Index photographs **The Former Costume**
of the Gypsies (Folklore History Series) Henry Thomas Crofton, 2010-08 The history of the gypsies is a confusing and
exciting one From their first appearance in Europe to the persecution that had them banned from cities and hunted This book
is a great insight into an entire race dislocated with the rest of Europe Many of the earliest books particularly those dating
back to the 1900 s and before are now extremely scarce and increasingly expensive We are republishing these classic works
in affordable high quality modern editions using the original text and artwork **Gypsy sorcery and fortune telling**
Charles Godfrey Leland, 2023-01-30 This work contains a collection of the customs usages and ceremonies current among
gypsies as regards fortune telling witch doctoring love philtering and other sorcery illustrated by many anecdotes and
instances taken either from works as yet very little known to the English reader or from personal experiences Within a very
few years since Ethnology and Arch ology have received a great inspiration and much enlarged their scope through Folklore
everything relating to such subjects is studied with far greater interest and to much greater profit than was the case when
they were cultivated in a languid half believing half sceptical spirit which was in reality rather one of mere romance than
reason Now that we seek with resolution to find the whole truth be it based on materialism spiritualism or their identity we
are amazed to find that the realm of marvel and mystery of wonder and poetry connected with what we vaguely call magic far
from being explained away or exploded enlarges before us as we proceed and that not into a mere cloudland gorgeous land
but into a country of reality in which men of science who would once have disdained the mere thought thereof are beginning
to stray Hypnotism has really revealed far greater wonders than were ever established by the fascinators of old or by
mesmerists of more modern times Memory the basis of thought according to PLATO which was once held to be a determined
quantity has been proved the word is not too bold by recent physiology to be practically infinite and its perfect development
to be identical with that of intellect so that we now see plainly before us the power to perform much which was once
regarded as miraculous *King of the Gypsies* Peter Maas, 1975 Chronicles Gypsy life in the United States today centering
on the still unresolved struggle for leadership between Steve Tene grandson of the late King Tene Bimbo and his embittered
vengeful father The Gypsies Charles G. Leland, 2016-06-23 Unlike some other reproductions of classic texts 1 We have
not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there
are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent

accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy Gypsy Folk-Tales Francis Hindes Groome,2011-11-01 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **The Heroic Present** Jan Yoors,2004 As a boy of twelve Jan Yoors fulfilled many an adventurous youth s fantasy when he left his comfortable Belgian home to live and travel with a tribe or kumpania of Gypsies Adopted into the extended family of Pulika Yoors passed his days with the patriarch s sons and nephews learning the traditions and participating in the rituals of the Gypsies or Romani As the years passed he divided his life between the world of his birth where he became a noted tapestry artist filmmaker and war hero and the world of the Romani where he returned regularly for more than five decades Yoors was also a gifted writer and photographer his memoir *The Gypsies* is a riveting account of his life with the Romani his many hundreds of images most of them never before published document the personalities and daily existence of his kumpania *The Heroic Present* Life Among the Gypsies brings together Yoors s photographs and excerpts from his memoir The nuanced portrait details the rhythms of life among the Romani the exceptional occurrences of birth marriage and death and the highly codified system of conduct of the Gypsies Roadside caravans evening meals multifamily feasts village fairs convocations of the kris the Romani tribunal of justice and wedding celebrations all are powerfully evoked in both word and image Comprehensive and vivid expressive and lyrical this volume is testimony to the author s remarkable facility with language both written and visual and an unequalled portrait of daily life among the Gypsies **The Rom** Roger C. Moreau,1995 **Journal of the Gypsy Lore Society** ,1992
