stories from over eighty Florida broadcasting pioneers and current leaders from the Keys to the Panhandle A celebration of broadcasting s proudest moments through hard hitting journalism and editorials lifesaving moments through decades of hurricanes and lighthearted moments with favorite personalities and promotions Towers in the Sand also laments the loss of a national treasure as most stations were transformed from local community partners to lines on corporate balance sheets As broadcasting sits at the precipice of a very uncertain future the author hopes through this work to engage thought conversation and action to ensure its continued relevance in society     *Assembly* ,1987     **Monthly Review of the Iowa Weather and Crop Service** United States.
