Better backyard a citizen's resource guide to beneficial landscaping and habitat restoration in the Chesapeake Bay watershed. , **Parent Survival Manual** Eric Schopler,2013-06-29 his book is the result of more than 30 years of experience and hard T resourceful work by Eric Schopler and his team first as lonely pioneers now as leaders whose influence extends as far as Kuwait India and Japan It is the fruit of a concept so simple human and obvious that it is hard to believe that not so long ago it was both revolutionary and controversial Parents of children in mid adulthood well remember what it was like to be considered the cause of their children s problems rather than part of whatever solutions could be achieved In 1971 when Eric Schopler described us as our children s cotherapists in the Journal of Autism and Childhood Schizophrenia it validated and strengthened the efforts we had already been making When Division TEACCH began to develop new methods to help autistic children and this is what was revolutionary actually to teach them to parents we could begin to heal So what seems and should seem ordinary and matter of fact about this book that it is a collection of ingenious solutions that parents have developed as responses to the continual challenges of living with autism feels to me more like a miracle It is not only that its nine chapters provide ingenious suggestions for dealing with the difficulties that arise in every aspect of daily life with an autistic person Each chapter illustrates the root principle of Division TEACCH collaboration between parents and professionals
