

Frequently Asked Questions - IGCSE First Language English (0500)

Are there any changes to the syllabus?

There are no changes in 2003 and 2004.

Changes are being introduced to the scheme of assessment in 2005. These are advised in detail in the syllabus booklet for 2005. A set of specimen papers illustrating the changes is also available from CIE. Teachers must consult these documents for full details.

Are the 2005 changes drastic and will they mean I have to plan my course in a radically different way?

No. There are no major changes to task types and skills that IGCSE First Language has always assessed, but you will need to be aware of adjustments to:

- the layout and wording of Assessment Objectives
- the duration and numbers of tasks on question papers
- the weighting of components
- coursework portfolio requirements (if you are doing this option)
- oral tests (if you are doing this option)

Core/Extended tiering and the availability of different combinations of components remain unchanged.

Changes have been made to the duration and weighting of all components, and to the numbers of tasks within the written components. But in effect the balance of Reading and Writing assessment overall remains the same as before: the directed writing section from Papers 1 / 2 is now moved to Paper 3; Centres taking the coursework alternative will now use one of the assignments to assess reading as well as writing. Adjustments to the titles of the different components have been made to reflect this.

If you are doing coursework you will need to think about assessment of reading in one of the assignments; that is one area where it might be important to review the nature of the course.

Can you give me a quick overview of the changes in 2005?

The key changes are summarised below:

component	exams in 2003 and 2004	exam in May/June 2005 and thereafter
1 (core)	Reading & Directed Writing 60% 2 hours Questions relating to 2 text passages	Reading Passage 50% 1 hour 45 mins Questions relating to 1 text passage
2 (extended)	Reading & Directed Writing 60% 2 hours 15 mins	Reading Passages 50% 2 hours

Igcse English Paper June 2edexcel Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Igcse English Paper June 2edexcel free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience.
