Becoming a Teacher: Issues in Secondary Education 6e Simon Gibbons,Melissa Glackin,Elizabeth Rushton,Emma Towers,Richard Brock,2023-03-27 E ssential reading for anyone learning to be a teacher This book will continue to be a core text on our ITE programmes Rachele Newman Director of Initial Teacher Education University of Southampton UK A comprehensive must have for every new teacher entering the profession a wide variety of short chapters packed full of key research evidenced ideas brilliantly articulated by a team of expert authors Fantastic Mark Winterbottom Professor of Education University of Cambridge UK The beauty of the book is that the authors do not attempt to simplify teaching instead they celebrate and explore the complexities of being a teacher Stefanie Sullivan Deputy Head of School Director of Initial Teacher Education University of Nottingham UK This timely new edition remains the ultimate guide for students in the core areas of teaching policy assessment and curriculum planning while also covering the relevant issues facing educators and students today Grounded in contemporary research and empirical evidence

Becoming a Teacher provides a critical yet accessible exploration of the complexities involved in starting a career in secondary education. New chapters include topics such as wellbeing and mental health, social justice, decolonising the curricula, and how to develop teacher identity when starting a career. Themes such as digital pedagogy now run through the core of the book, reflecting the future of our education system. The book supports students with a blend of theory and practical solutions, integrates a wide range of issues, contexts, and perspectives, guides and encourages readers to reflect on their own learning and teaching, covers practical classroom implementations, theoretical and empirical research, social and cultural dimensions, and much more. Benefitting from the expertise of top academics in the education field while leaving room for the reader to engage with their own critical reflection, this book is essential for PGCE and Education students to gain a thorough understanding of the many facets of education as well as their own role as a teacher.

Simon Gibbons is Senior Lecturer in English Education and Director of Teacher Education at King's College London, UK. He is a former chair of the National Association for the Teaching of English. Richard Brock is a Lecturer in Science Education at King's College London, UK.
