Presenting a kind of contemporary cultural history of lifestyles, this volume showcases more than 100 carefully selected residences and interiors. They include large villas and small apartments, romantic chalets and cool lofts, minimalist bungalows and innovative townhouses for singles and couples, small and large families, and other forms of cohabitation. From the introduction: Designing a room with all the vibes comes down to how you layer your décor. The more you can mix the elements of your room—your pillows, objects, patterns, and lighting—the more finished it'll feel, not too new, not too old, but just right. Known for her eclectic approach that stems from her California cool, Amber Lewis trains your eye in *Made for Living*, offering friendly advice on everything from nailing that perfect shade of paint to mismatching patterns with wild abandon to choosing a stone finish for new countertops.
