

A photograph of a large-scale construction project. In the foreground, a massive blue tower crane stands tall against a clear blue sky with scattered white clouds. The crane's horizontal jib extends across the upper half of the frame, with two yellow lifting hooks hanging from it. Below the crane, a multi-story building is under construction. The structure is heavily encased in a complex network of red metal scaffolding and wooden formwork, indicating active construction work. The building's concrete frame is visible through the scaffolding. In the background, other construction elements and a distant tower can be seen. The overall scene conveys a sense of large-scale engineering and infrastructure development.
