Official Aquatic Guide ,1941 Unruly Audience Greg Kelley,2020-09-01 Unruly Audience explores grassroots
appropriations of familiar media texts from film television stand up comedy popular music advertising and tourism Case
studies probe the complex relationship between folklore and media with particular attention to the dynamics of production
and reception Greg Kelley examines how folk interventions challenge institutional media with active often public social
engagement Drawing on a diverse range of examples popular music parodies of The Colonel Bogey March jokes about Disney
s Snow White and the Seven Dwarfs touristic performance at Jamaica s haunted Rose Hall internet memes about NBC s The
Office children s parodies of commercials and jokes about joking Kelley demonstrates how active audiences mobilize folklore
to disrupt dominant modes of media discourse With materials both historical and contemporary and compiled from print
internet archives and original fieldwork Kelley s audience centered analysis demonstrates that producers of media are not
the sole arbiters of meaning With folklore as an important tool unruly audiences refashion mediated expression so that the
material becomes more relevant to their own circumstances Unruly Audience foregrounds the fluid interplay between media
production and audience reception and between forces of cultural domination and cultural resistance bringing new analytical
insights to familiar folk practices This carefully crafted book will speak to students and scholars in folklore popular culture
