Rethinking Management Boris Kaehler, Jens Grundei, 2025-08-27 The concept of management is well established and very familiar to scholars and practitioners alike However it is also very generic with no agreed upon definition and no consistency in the demarcation between it and its sub concepts and other similar terms Building on an in depth analysis of literature this book establishes a precise understanding of management and systematically integrates its sub concepts of organization governance strategic management human resource management leadership and organizational culture It thus provides a clear theoretical and conceptual framework helping researchers to

theorize and practitioners to implement corporate management models **Business, Seventh Edition, Custom Publication** Pride, 2002-06 *Manajemen Sebagai Profesi: Etika Bisnis: Pertahanan Terakhir* Tanri Abeng, Riant Nugroho, 2025-07-04
