The Graduate School of UIN Syarif Hidayatullah Jakarta and UIN Sulthan Thaha Saifuddin Jambi jointly organized the conference. This conference brought together academic researchers, business professionals, and graduate students to share their experiences and research findings on a wide variety of topics related to interdisciplinary Islamic studies. The proceedings are comprised of 52 high-quality papers chosen from more than 250 submissions. Islam and medicine, Islamic education, Islamic studies, psychology, the Qur'an and Hadith, and science and technology are the six issues covered in the papers. This publication is made possible by the committed steering and organizing committees who oversaw and organized the conference, as well as the reviewers for their academic contributions and commitment to assessing papers.

Management of Healthcare Organizations: An Introduction, Fourth Edition Peter C. Olden, Cathleen O. Erwin, 2023-01-24 To become a successful healthcare manager, students need to understand management theories and methods and know how to apply them to real-world problems. *Management of Healthcare Organizations: An Introduction* teaches this in an engaging way. The authors provide aspiring managers with theoretical background, practical methods, and hands-on exercises to prepare for careers in healthcare management, emphasizing the multifaceted nature of management problems and the need to combine a variety of approaches to solve them. This text includes bulleted lists, examples, and exhibits to boost readability, retention, and engagement. Chapters are arranged to sequentially build a body of knowledge and a mental framework for management. Each chapter begins with a scenario taken from the same complex telehealth case study, reinforcing the complexity of management problems while introducing chapter concepts. Each chapter has updated information on diversity, equity, and inclusion, and strategies for managing clinical staff and performance, as well as Try It, Apply It, real-world exercises. This book combines time-tested fundamental principles with cutting-edge methods and current knowledge.      Essentials of Business Statistics Bruce L. Bowerman, Richard T. O'Connell, J. B.
