The Caring Congregation Ministry Implementation Guide Karen Lampe, Melissa Collier Gepford, 2021-05-04 Pastors and church leaders genuinely want to care for people in their congregations and communities But pastors cannot care for an entire church and most laypersons don't have the training to do it The Caring Congregation Ministry is a model for person to person care that's been proven to work in small and large churches across the U S It is a laity centered ministry where laypersons receive rigorous training and then are commissioned to serve as Congregational Care Ministers caring for others in their own congregation and their extended community This remarkable approach to congregational care was first developed by author Karen Lampe and her team at The United Methodist Church of the Resurrection in Kansas City It has been tested refined and strengthened and is now being adapted in all sorts of congregational settings One early adapter was co author Melissa Gepford who launched a Caring Congregation Ministry in her own rural church Together they have created this immensely practical guide for any pastor or leader seeking to create a congregational care ministry This Implementation Guide is the main book for getting started It introduces the ministry model and explains the Five Essentials which form the ministry's foundation It is extremely practical full of checklists and other tools to help pastors and other leaders understand and explain this way of providing congregational care The Implementation Guide also includes a section focused on the crucial component of this ministry the Congregational Care Minister or CCM This section fully describes the characteristics of CCM's how to recruit people to this ministry how to discern if candidates are a good fit and how to conduct the CCM training over a multi week period It details the critical information CCM's must know and the behaviors and habits they must practice in order to be effective Note that the companion book The Caring Congregation Ministry Care Minister's Manual is required for the CCM training It serves as a training workbook which then becomes the CCM's personal reference manual

Peace At The Last Robert Atwell, 2014-09-12 Until relatively recently a Church of England funeral was the default option of the majority of the British population This is no longer the case Exploring what makes a good funeral Robert Atwell suggests many practical ways in which the church can become better at

conducting funerals and engaging with those who seek pastoral support **Letters to My Students, Volume 2** Jason K. Allen, 2021-06-01 Few books have more influenced those called to gospel ministry than Charles Spurgeon's Lectures to My Students. This influence of this book like the Prince of Preachers himself reverberates to our present age. Carrying forward this tradition is Jason Allen's Letters to My Students. Dr. Allen serves as president of Midwestern Baptist Theological Seminary and Spurgeon College, the former ranking as one of the largest and fastest growing seminaries in North America. Dr. Allen has also served in multiple pastorates. His passion to serve the church by equipping a generation of pastors, missionaries, and ministers for faithful service is reflected in Letters to My Students. Letters to My Students is a biblical, accessible guide for ministers and ministers in training. It brings both biblical and practical wisdom to bear on the minister's three main responsibilities: preaching, leading, and shepherding the flock of God. Martin Lloyd Jones famously described the call to ministry as the highest, greatest, and most glorious calling to which one can be called. If this assessment resonates with you, you'll want every available tool to strengthen your ministry. Letters to My Students is one such resource. **Louie on the**

Rocks Meredith O'Brien, 2025-02-04 For fans of Tom Perrotta, Maria Semple, and Elinor Lipman, a dark comedy about family dysfunction fueled by bitter Trump-era politics, vodka, and a reluctant daughter's guilt. Set against a backdrop of bitterly partisan Facebook feuds and a Trump flag set aflame in a driveway, Louie on the Rocks follows the disintegration of the Francis family six months after the premature death of their matriarch Helen. In his wife's absence, retired MAGA patriarch Louie descends into an alcoholic spiral, and his liberal, queer bookseller daughter Lulu responds in a clumsy attempt to save her father from himself by taking him to court to seize control over his finances. Told by Louie, Lulu, and Helen, who is watching in horror from the great beyond, this is the tale of a trio with very different takes on the messy events of 2019.

When a Loved One Dies K. D. Pryor, 2011 Brittany France Near the coast. A picturesque inn. Spectacular scenery. Tasty French treats. Time off from school. Tallis Challinor imagines this as the perfect vacation scenario, so when her grandfather suggests that she accompany him to the country of her ancestors, she is more than happy to tag along. What Tallis doesn't bargain on is another ghostly encounter, especially not so soon after she's sealed up a bunch of unruly ghosts on their side of the portal between the human and spirit realms. But when she feels the energy radiating from the megalithic standing stones dotting the countryside around Carnac, France, an energy that feels frighteningly like the power exuding from the portal in her basement back home, she has a feeling she might be in trouble. And she is right. When her grandfather goes missing, Tallis leaps into action. She calls the only ghostbuster she knows in France, and with help on the way, she gears up to battle another set of spirits bent on causing destruction. Along the way, Tallis is forced to examine her life, her relationships, and her tightly held beliefs about who she is and where she comes from. She also has to juggle two impossible males, both attractive but annoying, both seemingly set on driving her nuts or breaking her heart. *The Pastor's Book* R. The Mourning for Diana Tony Walter,2020-06-11 The unexpected death of Diana Princess of Wales in Paris on August 31st 1997 led to a period of mourning over the next week that took the world by surprise Major institutions the media the royal family the church the police for once had no pre planned script For the public this was a story with an
