

GOVERNMENT ACCOUNTING AND AUDITING MANUAL

VOLUME III

December 19, 1991

COMMISSION ON AUDIT CIRCULAR NO. 368-91

TO : All Heads of Departments, Bureaus and Offices of the National Government; Managing Heads of Government-Owned and/or controlled Corporations, Boards and Commissions; Provincial Governors; City/Municipal Mayors; Chief Accountants/Corporate Treasurers; Local Treasurers; COA Directors and Auditors; and All Others Concerned.

SUBJECT : Instituting a Government Accounting and Auditing Manual and Prescribing its Use

The Commission on Audit has in recent years perceived the need to revise and update accounting and auditing rules and regulations embodied in the National Accounting and Auditing Manual and the Revised Manual of Instructions to Treasurers in order to keep abreast with modern trends of government accounting and auditing and progressive legislation on the subject. The endeavor to fill this need now finds fruition in a new Government Accounting and Auditing Manual (GAAM) which is hereby instituted and prescribed for use by all government agencies pertaining to the national, local and corporate sectors.

The Government Accounting and Auditing Manual consists of three volumes, viz:

- Volume I — Government Auditing Rules and Regulations
- Volume II — Government Accounting
- Volume III — Government: Auditing Standards and Procedures
and Internal Control System

On the main, it integrates pertinent laws and administrative issuances as well as judicial and quasi-judicial decisions relative to the financial operations of Government.

A supplement embodying the procedural aspects on accounting and auditing in local government units will be issued. This supplement will form an integral part of the Government Accounting Manual.

The National Accounting and Auditing Manual and the Revised Manual of Instructions to Treasurers are deemed supplanted and superseded by the new Government Accounting and Auditing Manual and its supplement.

All others Circulars, Memoranda and regulations inconsistent or in conflict with the provisions of the Government Accounting and Auditing Manual are hereby repealed, modified and/or amended accordingly.

Particles in Asian Languages Volume II Hiroki Nomoto,Elin McCready,2023-08-29 This volume is the second in a two part collection of research on discourse particles focusing exclusively on the languages of Asia from the perspective of formal as well as non formal semantics and pragmatics Despite increasing interest in discourse particles most research in the area particularly within formal semantics and pragmatics focuses on a restricted set of languages and there has been little consensus on the proper formal treatment of particles The term discourse particles has been used to cover a broad range of phenomena including such things as sentence final particles discourse adverbs and other related phenomena In recent years

there has been extensive development of the formal approach to discourse particles which often treats these words as devices for marking information updates It is vital however to extend this data to non Western languages like Malay Thai or Vietnamese These two volumes are the first to give an exclusive focus on particles in non European languages in this case Asian languages from the perspective of formal and non formal semantics and pragmatics This second volume includes chapters on Tagalog Kimaragang Dusun Malaysia Malay Singlish Colloquial Singapore English Thai and Vietnamese The chapters are informed by recent theoretical work in formal and non formal semantics and pragmatics relating to the meaning of particles The collection contributes to our theoretical understanding of the meaning of discourse particles and to empirical knowledge of discourse particles in the languages of Asia It will be of interest to postgraduate students and scholars of semantics and pragmatics
