Supplements and Alternative Medicines brings you the benefit of Dr Davis's extensive knowledge about physicians, the pharmaceutical industry and research in pharmacology and toxicology in order to shatter misconceptions about supplements and the supplement industry. The book's no nonsense discussion about this much hyped industry is even handed and straightforward and provides clear headed advice every consumer of supplements needs. The guide explores various supplements interactions with prescription drugs, the placebo effect as a factor for beneficial claims, historical instances of supplements that have proved hazardous to consumers and receiving directions for supplement use from an unconventional medical healthcare practitioner. It clearly explains the potentials of supplements through the use of illustrative clinical case studies from medical literature in simplified easy to understand language. This extensive source is comprehensively referenced and includes tables of supplements with their possible benefits and hazards.

The Consumer's Guide to Dietary Supplements and Alternative Medicines exposes the truth about therapeutic fundamentals of supplements, why there is strong resistance to supplements as unconventional remedies by physicians, the pharmaceutical industry's perspective on supplements, six major myths about dietary supplements, liver support remedies, soy formulations, cancer cures, the fountain of youth, actions of hormonal and antioxidant products, vitamins, minerals, amino acids and enzymes, new biochemicals such as alpha lipoic acid and choline derivatives, carotenoids, anthocyanins and flavonoids, aloe vera, the unappreciated pharmacology of ascorbate, historical instances in which consumers have avoided catastrophe, the future of the supplement field, much much more. **The Consumer's Guide to Dietary Supplements and Alternative Medicines** may be the best available resource of important information for every concerned health conscious consumer considering dietary supplements of any kind.

The Consumer's Guide to Probiotics S. K. Dash, 2004-06 Many doctors say that a quality probiotic supplement is as important to your health as a multi vitamin. This book talks about Probiotics, beneficial bacteria which maintain the intestinal microflora balance, inhibit the growth of harmful bacteria, promote good digestion, boost immune function and help us maintain healthy cholesterol levels.

A Consumer's Guide to Male Hustlers Joseph Itiel, 2014-02-25 A Consumer's Guide to Male Hustlers gives you exciting insight into all you ever wanted to know about hustlers but were too embarrassed to ask. You'll find answers to questions such as where and how to find hustlers, how much to pay them and how to make it an experience that is satisfying to both parties. Author Joseph Itiel shares with readers his personal experiences and observations describing his dealings with hustlers over a period of about 35 years in many different countries. Throughout A Consumer's Guide to Male Hustlers, Itiel narrates personal anecdotes lending an intimate dimension to his general observations. He describes the hustler scene in the United States and abroad, dispelling many erroneous notions about hustlers by addressing such topics as under what circumstances sex for money arrangements are exploitative, a comparison of male hustlers and female prostitutes, emotional involvement and control between clients and hustlers, the notion that hustlers are only for the wealthy, whether or not hustlers are likely carriers of sexually transmitted diseases, whether or not it is dangerous to pick up hustlers, why

hustlers hustle the differences between street hustlers models or escorts and masseurs legal issues associated with hustling regular sessions with hustlers as an emotional and libidinal sedative It is the contention of the author that hustlers are an under used resource in the gay community especially valuable to those with a vigorous sex appetite but no steady partner This opportunity is often shunned because potential clients feel guilty about hiring hustlers The author hopes that by reading this book you will come to understand that the hustler experience meeting with hustlers regularly can be mutually exciting and satisfying for both parties

Consumer's Guide to Fighting Back Morris J. Bloomstein, 1976 The Better World Shopping Guide: 5th Edition Ellis Jones, 2015-06-01 While we generally try to make our vote count every four years few of us realize that our most immediate power to shape the world is being squandered on a daily basis Every dollar we spend has the potential to create social and environmental change In fact it already has The world that exists today is in large part a result of how our purchasing decisions have already shaped it The Better World Shopping Guide rates hundreds of products and services from A to F so you can quickly tell the good guys from the bad guys and ensure your money is not supporting corporations who make their decisions based solely on the bottom line Drawing on decades of meticulous research this completely revised and updated fifth edition will help you find out who actually walks the talk when it comes to Environmental sustainability Human rights Community involvement Animal protection Social justice Small enough to fit in a back pocket or handbag and organized in a user friendly format The Better World Shopping Guide will help you reward the companies who are doing good penalize those involved in destructive activities and change the world as you shop
