Early Childhood Education Robert J. Wright,2010 Multifaceted Assessment in Early Childhood is ideal for those on upper
division undergraduate courses and first level graduate courses in early childhood education assessment The book covers the
various measures used in a range of assessment dimensions and includes valuable information regarding young children with
special needs and English Language Learners which has rarely been touched upon in other textbooks The chapters are
focused on student accessibility and include practical applications of key concepts Features and benefits Covers a range of
assessment concepts including Formative uses feedback from learning to adapt teaching Summative i e tests quizzes
Authentic focuses on complex deeper tasks Standardized STAR SAT Includes coverage of assessment for English language
learners and children with special needs topics that are not provided enough coverage in other books including Wortham
McAfee Puckett and Mindes Wright s writing style grabs and engages the reader in the topic Two of our reviewers who use
Wortham specifically cited Wright s writing style as a reason they would adopt our book A McAfee reviewer is likely to switch
