**On Meaning-making** Mieke Bal,1994 This book aims to address the basic questions in semiotics the theory of signs What is semiotics How is it used how is it taught *Codes & Mystery Messages* Cameron Yerian,Margaret Yerian,1975 Explains how to create various kinds of codes and discusses other means of sending messages such as Indian sign language brands and flag signals **Rule of Law, Justice, and Interpretation** Luc B. Tremblay,1997-10-24 Tremblay s theory of the rule of law involves a set of practical principles that constitute the ideal type of a conception of law that is both constitutive and regulative of legal discourse and practice Tremblay examines two competing ideal types the rule of law as certainty and the rule of law as justice The former a standard doctrine within contemporary legal social and political theory is shown to be incoherent Thus the rule of law as justice he shows provides the best basis for understanding legal discourse in general and Canadian constitutional law in particular Tremblay offers a coherent reconstruction of Canadian law from fundamental principles of the rule of law as justice and tests the theory through applications to key judicial decisions that have proven resistant to positivist interpretation The Rule of Law Justice and Interpretation is both a stimulating work of contemporary legal theory and an innovative challenge to the traditions of Canadian constitutional law Tremblay examines fundamental issues of legal epistemology and ontology and brings rigorous analytical jurisprudence to bear on interpretations and applications specific to Canadian constitutional law Given the important implications of his theory for statutory and constitutional interpretation especially with respect to the Canadian Charter of Rights and Freedoms and the potential crisis involving provincial rights of secession and partition this book will be central to the practice of law in Canada *Cursive Writing Activities* Susan Collins,2006-09-26 Help students master important handwriting skills Activities allow students to practice letter formations as they develop skills in writing sentences and paragraphs creative writing and everyday writing
