THE GAME OF BLACKJACK

Blackjack, also known as Twenty-one, is one of the world's most popular casino games. In Blackjack, the dealer deals cards to seven players. These rules vary from casino to casino, but all versions of the game are based on the same principles. The goal is to get a 21 or closer to that value than the dealer.

Each turn and round the dealer deals two cards to each player and himself. The dealer's hand is always visible, while the player's hand is hidden. The player's hand is dealt face up while the dealer's hand is dealt face down. One of the player's hands is completed then the dealer's hand is completed.
