receive the quality education they are entitled to. In this practical reference, David F. Bateman, bestselling author of *A Principal's Guide to Special Education*, and special education administrator Jenifer L. Cline clarify what general education teachers need to know about special education law and processes and provide a guide to instructional best practices for the inclusive classroom. Topics covered include: The pre-referral referral and evaluation processes; Individualized education programs (IEPs) and the parties involved; Accommodations for students who do not qualify for special education, including those covered by Section 504; Transition from pre-K to K-12 and from high school to postsecondary life; Classroom management and student behavior; Educational frameworks, instructional strategies, and service delivery options; Assessment, grades, graduation, and diplomas. The breadth of coverage in this book, along with its practical examples, action steps, and appendixes covering key terms and definitions, will provide the foundation all K-12 teachers need to successfully instruct and support students receiving special education services. It is an indispensable resource for every general education classroom.
