Review Copy Arthur J. Keown, 2002-10-15 [The Saturday Review of Politics, Literature, Science, Art, and Finance](#), 1865 [Rich Woman, Poor Woman](#) Pascale Helyar-Moray, 2024-10-29 Record levels of women are retiring in poverty; the current figure is 1 in 6 in Australia. Should we be surprised when women earn less than men shoulder the load when it comes to unpaid work at home and take more and longer breaks from paid work to have children? The difference between a rich woman and a poor woman is very often financial literacy. Australia has a superannuation system, the envy of many other countries in the world, and most of us don't understand it. Super school doesn't exist. Financial literacy as a wider topic has been taught in high schools since 2015, but somehow the crucial subject of superannuation is left out of the mix. *Rich Woman Poor Woman* addresses this knowledge gap. Well-researched, practical, and written in an easy-to-read style, *Rich Woman Poor Woman* explores what exactly is super and how it can work harder for you. How to adopt super money habits and make a plan to achieve financial independence. Set and forget strategies to grow your super faster. Hacks for all ages: women in their 20s, 30s, 40s, 50s, and 60s.

[Strategic Corporate Social Responsibility](#) William B. Werther, Jr., David Chandler, 2011 Blending theory with practical application, this comprehensive text supports courses at the intersection of corporate social responsibility, CSR, corporate strategy, and public policy. Part I provides an overview of the field, defining CSR and placing it in the context of wider corporate strategy. Part II contains chapters on CSR issues related to the organization, the economy, and society, and provides detailed case studies on a variety of well-known firms. Adopting a stakeholder perspective, the authors explore CSR issues within the complex global business environment in which corporations operate today.
