

The book cover features a collage of images related to materials science and engineering. At the top left, a stylized white crescent moon is set against a dark, textured background. Below this, a horizontal strip contains three distinct images: on the left, a molecular model with blue spheres and connecting lines; in the center, a close-up of a hexagonal lattice structure, possibly a crystal or a honeycomb-like material; and on the right, a series of dark, curved, ribbed structures that resemble a corrugated metal pipe or a biological structure. The main title is centered in a large, bold font, with 'FOUNDATIONS OF' in white, 'MATERIALS SCIENCE' in orange, and 'AND ENGINEERING' in yellow. At the bottom left, the authors' names are listed in white. The bottom right corner shows a close-up of a metallic surface with curved, concentric lines.
