Moscovice, 1981 **Fundamentals of Accounting** Sietse Bernard Koopman, Roy Bernard Kester, 2018-10-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The Fundamentals of Accounting (Classic Reprint) William Morse Cole, 2017-11-28 Excerpt from The Fundamentals of Accounting What the Accountant Edits Just as the editor must get into the hands Of the public at frequent intervals information with regard to the news Of the world or with regard to some special field Of activity or learning SO the accountant must get into the hands of the business man at reasonably frequent intervals such information as has been enumerated Usually there are several persons in the employ Of a business whose task is in part to prepare information for the general manager but usually such information is either not in the particular shape most useful for the manager or is not SO correlated with other information as to bring out the larger facts that the manager needs to know It is the task Of the accountant to put the information in the desired Shape and to correlate various kinds Of information or as we commonly say edit the information Because the accountant must prepare information for the general manager or other Officer he usually occupies a more or less confidential position and Often is a vice president of a corporation He must have the knack Of preparing information in shape for use by others he must have sufficient imagination to see what sort Of information the various officials will desire and he must have

sufficient power Of analysis to see how to get the sort Of information that will enable the operating Officers Of the business to tie up the various parts Of the business with each other and with the outside business world and he should provide them with such information even if they have not realized the need Of such par ticular information It is his task in a sense to foresee what information about the business will be later required and to see that such information will be available at the proper time He must anticipate the need for information SO that he may have his lines laid before the occurrence Of the event for the procurement Of that information as soon as the event happens This is just the task Of the editor Of a newspaper or a magazine for he not only tells people what they already wish to know but he gives them what they are glad to know though they had not previously known that they needed to know it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Fundamentals of Accounting Sietse Bernard Koopman,2014-02 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

Fundamentals of Accounting Sietse Bernard Koopman,2015-08-11 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
