Fundamentals of Physics Extended David Halliday, Robert Resnick, Jearl Walker, 2007-05-12 No other book on the market today can match the 30 year success of Halliday Resnick and Walker's Fundamentals of Physics. In a breezy easy to understand the book offers a solid understanding of fundamental physics concepts and helps readers apply this conceptual understanding to quantitative problem solving. This book offers a unique combination of authoritative content and stimulating applications. Problem solving tactics are provided to help the reader solve problems and avoid common errors. This new edition features several thousand end of chapter problems that were rewritten to streamline both the presentations and answers. Chapter Puzzlers open each chapter with an intriguing application or question that is explained or answered in the chapter.

Fundamentals of Physics David Halliday, Robert Resnick, Jearl Walker, 2013-08-13 The 10th edition of Halliday Resnick and Walker's Fundamentals of Physics provides the perfect solution for teaching a 2 or 3 semester calculus based physics course providing instructors with a tool by which they can teach students how to effectively read scientific material, identify fundamental concepts, reason through scientific questions and solve quantitative problems. The 10th edition builds upon previous editions by offering new features designed to better engage students and support critical thinking. These include NEW Video Illustrations that bring the subject matter to life, NEW Vector Drawing Questions that test students' conceptual understanding and additional multimedia resources, videos and animations that provide an alternative pathway through the material for those who struggle with reading scientific exposition. WileyPLUS sold separately from text.

Fundamentals of Physics, Extended David Halliday, Robert Resnick, Jearl Walker, 2013-08-13 The 10th edition of Halliday's Fundamentals of Physics Extended building upon previous issues by offering several new features and additions. The new edition offers most accurate, extensive and varied set of assessment questions of any course management program in addition to all questions including some form of question assistance including answer specific feedback to facilitate success. The text also offers multimedia presentations, videos and animations of much of the material that provide an alternative pathway through the material for those who struggle with reading scientific exposition. Furthermore, the book includes math review content in both a self study module for more in depth review and also in just in time math videos for a quick refresher on a specific topic. The Halliday content is widely accepted as clear, correct and complete. The end of chapters problems are without peer. The new design which was introduced in 9e continues with 10e making this new edition of Halliday the most accessible and reader friendly book on the market. WileyPLUS sold separately from text.
